stealing horses. No lives had been lost. The Leader learns, from a gentleman who has just arrived from Kansas, that the Topekaites and anti-Topekaites of Leavenworth have quarrelled concerning the policy to be pursued, and two sets of candidats have been cominated for the new Constitutional Concention. The Democrats make no nomina-

It was reported that Gen. Lane had issued proclamation calling upon the Free State militia to attack Western Missouri. The report is discredited here.

The New Humpshire Election. Boston, March 9 .- Returns received up to he present hour, from Concord, Nashua, Lebanon, Great Falls and Magchester, indicate the success of the Republican ticket by an increased majority. Nine out of the ten Representatives elected from Concord are

Republicans.
All appears to be passing off quietly except at Manchester, where there is trouble in regard to naturalized citizens. The ballot boxes and voting lists have been destroyed in one of the wards.

Later from New Mexico-An Indian Battle. Sr. Lows, March 4.—The Westport Missouri, correspondent of the Republican states, that Mr. Kitchen, from New Mexico, brings intelligence of a desperate fight having occurred between the Pawnee and Arapahoe ludians, on the Pawnee Fork, in which ten of the former were killed and many wounded. Mr. Kitchen also reports being present at a integrity, constitute him a representative to far as they were concerned, the trains would whom the interests of his constituents may not be molested. The Indian tribes were all quiet in New Mexico.

## Communicated.

For the American

The Secretary of our County Texchers' Institute in several communications published in the "American" since our last meeting, endeavers to charge me with having slature of this State such measures of reform | made an "egregious error," as he is pleased to Triends here called my attention to it.

When the charge was first brought to my ed doing so for reasons satisfactory to myself. But Dr. John thought it adould be auswered, and accordingly done so bimself.

In the Secretary's reply to the Dr. he repeats the charge, and tries to create the impression that I was defeated in the effort to neintain my position before the Institute .--Now I don't know what the opinions of a ma gloriously vindicated by the election of the | know that the same "theory" is presented and maintained by nine-tenths of all the respectable Grammatical Authors extent; and that common sense invariably induces every

"school boy" to take the same view. The ground taken by me was simply this-That all transitive verbs have two forms of expressing the idea, and that these two forms are generally called the active and passive voices of the same verb. And the sentences "John struck William" and "William was struck by John" were merely introduced for it lustration. I do not suppose any competent philologist can be found who will not admit that these two expressions mean the same

I further held that the "object" William a the first sentence, became the "subject" in State into the Union, except with a Consti. the second, and consequently "nominative case," nevertheless still the recipient of the action indicated by the verb, and hence, from

occessity, must remain the true "object" A transitive verb is a verb whose action affect an object; and the Secretary (if his mental eyes are sufficiently powerful to see through the hair) may, perhaps, be able to discover that "William" is in both forms "affected"

Mr. W. H. Wells, at present School Su-perintendent of the City of Chicago, says in his Grammer page 83, "transitive verbs have voice." And "the active voice represents the subject or nominative as acting upon some object." "The passive voice represents the nominative as being acted upon. glory of the country.

7. That the policy of forcing Kansas into the Union upon a Constitution already reof the verb."

Samuel S. Greene, in his "Analysis of the verb, and is either active or passive. The active voice represent the subject as acting ; represents the subject as being acted apon as "William was struck by John." The same sentences being given by him that I used at the Institute.

Again, Mr. Mulligan of New York city, in his "Grammatical Structure of the English Language" page 83, section 47, says, "the passive voice or passive form is confined to that class of verbs which we have named transitive verbs." And on page 85, in an explanatory note of some length on this sub

self before the public, through the columns

of the "American" you will much oblige

Yours truly,
L. ALLEMAN.
