Originally it was contemplated to extend a branch of the Susquebanna road from Sun-bury to Lewisburg. A contract was allotted to Mr. M. Burk, of our borough, and considerable work was done on the branch, some thirteen thousand dollars being expended After the suspension of the work in the spring of 1854, the idea of completing this branch was abandoned. The charter of the Northern Central road does not embrace it. This is a concise and correct history of the Northern Central Railroad.
