Heenan, the American Champion, had died land of Philip Sarvey on the west, containing of erysipelas; but it proved to be unfounded. 95 acres, more or less-about 60 acres of which to the London Times as follows :- "I see, by whereon are erected a large two story log dwellyour article of Saturday, that you misunder-stand my wishes, and it does me great injus-tice. I have no difference to settle with Sayers except such as I tried to settle on the 16th; and, instead of being called a boy, I road passes through both of the above mentioned ought to be termed a baby, if, after having farms, about 3 miles east of Sunbury. Also, come so far, and not having got a settlement, another certain messuage and piece of land, I should be willing to relinquish my purpose situate in said township of Upper Augusta. Yor a few good natured pats on the back, and adjoining Shamokin creek and land of Joseph being told I was a fine fellow.

asking me if I am not ashamed of myself, a mentioned and described on the east, south and great fellow like me, to come over to whip a ittle man like Sayers. Under ordinary circumstances, I should not think of sending a of cultivation, whereon are erected a one and a Challenge to a man of Sayers' size, but that England thinks him big enough to defend the beit. I want it and cannot get it except message and piece of land, situate in said belt. I want it and cannot get it except through him.

"Enclosed is a letter which I sent to Bell's Life, which has not been published. You will do me a great kindness in letting the English people hear what I have to say, If the late meeting is not to be resumed and the belt is not to come to me for what has already taken place, I claim to be the first on the list to meet Sayers again for the next chance to The following is the letter to "Bell's Life:"

-"Not having been able to obtain from you, as Referee, a final decision upon the fight of Tuesday last, I desire to demand through you a fair meeting within the present week. I a fair meeting within the present week. I make this demand from having been informed that it had been suggested on your part that I should give Sayers a sufficient time to recover from certain injuries received by him. Now, sir, while I am willing to accommodate him in any proper way, I must not be unmindful of my own right. I also recieved injuries, but I bargained for them; and I put it to you, as a man of honor, whether, if I had been deprived, through the effect of the said battle of my eyesight, or the use of my arm, as in case of Brettle when disabled by Sayers you would have made Sayers wait for me for any length of time that might be dictated by my private doctor. When this match was made, the date for the battle was the 16th, or as soon as we would get to fight, and according to the rules, if the battle should be interrupted, it was my understanding, and I believe it was the law, that we should resume the fight within the week. We did meet according to the contract. The battle was said to be unmake this demand from having been informed the contract. The battle was said to be unfinished, and I am prepered to renew it at any moment within the lawful limits.

If Sayers is not able, on account of injuries received from me, and cannot meet me accordhe is not according to the rules of the Prize Ring, entitled to retain. "Hoping to receive an answer before this

week expires, stating your view in full, "I am, etc., John Hernan."

"P. S.—You will please understand that I do not wish to compel Sayers to fight because be is represented to be in a disabled state, but I wish to obtain what I think I have already won, and which I will cheerfully hand back whenever he or any other person thinks

ARRIVAL OF THE STEAMER BRAZIL

THRRE DAYS LATER FROM EUROPE.

St. Johns, N. F., May 7 .- The steamship Brazil, from Galway, arrived here yesterday, with Liverpool dates of Saturday the 29th ult. Rumors prevail of arrests having taken place in Paris, growing out of an Italian plot against the Emperor.
Bell's Life has published the formal demand

of Heenan for the Belt, under the assertion that he won it. That paper, however, treats the claim as preposterous, and asserts that the chances were in favor of Sayers; and had the Referee interposed, the thirty-seventh round would have awarded him the victory. A medical certificate states that Sayers will not be able to use his arm for two months

and probable more.

Two hundred pounds have been collected for Sayers, among the members of the House The voting in Savoy on the annexation ques-

tion, will exceed 200,000, of which number, only 1200 voted in the negative. slight insurrection had occurred in the French possessions in Africa, but it has been

promptly suppressed. Baron Bruck, who recently committed suicide, is said to have been dismissed from the Austrian Ministry in consequence of complicity in the gigantic frauds lately discovered. Great defensive preparations are making by the Chinese. Two British vessels are reported as having been sunk by the forts at the

A WOMAN TARRED AND FEATHERED .- The Westfield (N. Y.) Republican, of the 22d inst., says: -- "On Friday night of last week filteen young men and five young women, including one married woman, went to the house of Elisha Whipple in the south part of Portland, broke it open, and teck one of his girls, a young woman, out of bed, and tarred and feathered ber. The reason alleged for the act is that she was of a disreputable character, and the house was disorderly. The perpetrators were on Wednesday all ar-rested and brought before Justice Young of this village, and gave bail for their appear-ance of the next Criminal Court. For the credit of the crowd engaged in the act, perhaps we should say that the women did the tarring and feathering, the men retiring while
the ceremony was being performed. As far
as we are able to learn the facts, Mr. Whipple some time since lost his wife, and was left with a family of small children, and this young woman, who had been living away, came home to help take care of the family, and recently suspicion has been excited that the house was disorderly; and this refined method was adopted by the young people of

the neighborhood to reform it." Public Bequests .- The will of Mr. Lawrence Johnson, type-founder in Philadelphia, lately deceased, contains the following bequests, providing that his real and personal estate shall exceed \$324,000, one year after death : To the Printers' Benevolent Association, \$1,000; American Sunday School Union, \$3,000; Union Benevolent Association \$1,000; Temporary Home for Friendless Children, \$2,000; Pennsylvania Institution for the Blind, \$1,000; Deaf and Dumb Asylum, \$1,000.
