WITHER'S BRIDGE

Lancaster Township, July 30, 1860.

MERES. EVANS & WATSON, —Geatletten: —The small size No. I Salamander Safe which I purchased from your agent, Mr. Adam R. Barr, in Lancaster City, on July 20th, 1868, has been subjected to a very severe test, which it withstood in a most satisfactory manner. This Safe, contaming all my books, together with valuable papers belonging to myself and some to my neighbors and riceds, and representing a value of over Twenty Thousand Dollars, (\$20,000) was in my Mill, which was destroyed on the night to the 37th of July, 1860, and passed through the fiery orders unscalled, The Safe was on the second floor, and fell to the basement of the Mill, and was subjected for six hours to an intense heat minong the ruins, which was greatly increased by the combustion of a large quantity of grain confined within the brick walls. After the fire the Safe was opened and the books and papers taken out in a state of perfect preservation, the paper not even being discoloried. This fact was however, to many bystanders, a better recommendation of your Safes than could be expressed in any other words from me.

Yours, respectfully, SAMUEL RANCK.
