ELEBRATED Sewing Machines, 405 BROADWAY, NEW YORK.

The public attention is respectfully sequested to the following cards of ELIAS Hows, JR., and the Grover & Baker S. M. Co A Card from the GROVER & BAKER S. M. Co. Our Patents being now established by the Courts, we are enabled to furnish the Grover

& Baker Machine, with important improvements at greatly Reduced Prices.

The moderate price at which Machines mak-ing the Graver & Baker stitch, can now be had, brings them within the reach of all, and renders the use of Machines making inferior stitches as unnecessary as it is unwise. Persons desiring the best Machines, and the ght to use them, must not only be sure to buy Machines making the Grover & Baker stitch, but also that such Machines are made and stamped under our patents and those of Elias Hower, Jr. GROVER & BAKER S. M. CO.,

All persons are cautioned not to make, deal in, or use any Sewing Mechines which sew from two spools and make the stitch known as the Graver & SBaker stitch, unless the same are purchased from the Grover & Baker Sewing Machine Company, or their Agents, or Licenses, and stamped under my patent of September 10, 1846. Said Company, and their Licenses, alone, are egally authorized under their own patents, and my said patent, during the extended term thereof, to make and sell this kind of Sewing Machine and all others are piracies upon my said patent,
