Syphilis and Mercurial Disease.

By J. C. Ather Sir, I cheerfully comply with the recuest of your agent, it cheerfully comply with the recuest of your agent, and report to you some of the chects I have realized with your Sursaparille.

I have considered it is recommended, and love found its effects truly conderful in the cure of Poerred and Mercurial Disease. One of my patients had Syphilist ulcers in his threat, which were consuming his patient and the top of his mouth. Your Sursaparille, steadily tolient, cured him in five weeks. Another was attacked by secondary symptoms in his ness, and the ulceration had caten away a considerable part of it, so that I believe the diseaseder would seen reach his brain and still him. But it yielded to my administration of your Sersaparilla; the ulcers healed, and he is well again, not of course without some delignmenton to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so granitive to the weather that an a damp day she suffered excendating pain in her joints and beines. She, too, was cared entirely by your Sarsaparilla in he weeks. I know from its formula, which your agent gave me, that his Preparatien from your historatory must be a givest ramedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours. Syphilis and Mercurlal Disease.

Interempere, Preston Co., Va., 6th July, 1559.

Dr. J. C. Aver: Sir, I have been milleted with a psinful chronic Rheumatism for a long time, which bailed the
skill of physicians, and stuck to me in spite of all the
remedial could find, until tried your francaparilla. One
bottle cured me in two weeks, and restored my general
beaths so much that I am far better than before I was
attacked. I think it a wonderful medicine. J. FREAM.

Jules Y. Getchell, of Si. Louis, writes: "I have been
adilicated for years with an affection of the Liver, which
destroyed my health. I tried every thing, and every thing
failed to relieve me; and I have been a holom-down man
for some years from no other cause than derempeased of
the Liver. My befored pastor, the Rev. Mr. Essy, advised
ms to try your Farsyavida, because he said he knew you,
and any thing you made was worth trying. By the bleessing of fool it has cured me, and has so purified my blood
us to make a new man of me. I feel young nade. The
best that can be said of you is not half good enough."

FROM THE "HOME JOURNAL." "Of all the child-furniture we have ever seen no article combines so much of those two important things-health and happiness-as the Adjustable Patent Steel Spring Saddle Horse, invented by Jesse A. Crandell, It is not dangerous, like a common rocking-horse, to children's feet, cannot be upset, does not wear carpets, but stands firm on its base, and its action is so like the gallop of a live horse that the child never wearies of it. This atest of child-novelties is excoedingly elegant and artistic in design; and so adjustable, substantial, and durable, that it will last a lifetime. It is indispensable in every family where there are children. It should be in every primary school and gymnasium in the country, as it can be mude large and strong mough to sustain grown persons.
