\$1,030,176.82 dimensions;

This is certainly a very gratifying exhibit for a state of war and for a Commonwealth that has now absert in the field of conflict not less than one hundred thousand of her Kentucky, industrial population. To increase her in-come over a million of dollars, or more than Missouri, Tennessoe, thirty-three per ceat, at such a period, cer-tainly argues a wealth of resources and of

energies that would be hard to parallel in any State in the wide world. This wholesome condition of the finances of the Commonwealth induces the Governor

to suggest a revision of the State Revenue The public debt, on December 1, 1862 was

A country fellow said "Amen," very loudly, adding, "In this it is the prayer of all good people." "Friends," replied the minister "I doa't mean as that fellow means; my prayer is that they may all hang together in concord and accord." "No matter what cord," replied the other, "so that it don't break."
