13325 1 13308 NEW YORK, Oct. 29. A special dispatch to the Times, dated the 27th, from Chattanooga, says :

Unreliable intelligence has been received of a movement of a portion of Bragg's army under Longstreet, up the valley of the Tennessee river, with the intention of operating against Burnside.

It is believed that a corps of Lee's army, under Ewell, is moving into East Tenuessee by way of Lynchburg for the same purpose. New discoveries are constantly being made in the exhamed city of Pompeli. A house has been lately found where the dining room

is paved with mosaic. The completify ser-ved table is covered with partified remnants of diduce; and around it are found three divans, or table-beds, of bronze, adorned

the retreat. The replication to this is that 275; communicants, 50-549; infant hap-such a mistake is a complete disqualification tisms 7,920; adult baptisms, 227; confir for command. The statement acquiring growth that he had an attack of epilepsy during the battle. and that he was subject to that disease, is Synodical treasury, \$293; Beneficiary educa-untrue; but that he was constitutionally tion, \$782; Home and Foreign Missions. and by education subject to fits of religious \$30.667. depression of the profoundest character is correct, though he was an austere Roman Catholic, as is well known. In connection with this it may not be unsuitable to add that it is understood that the fourth specification of the preferred charge is an excessive

use of opium The relations between General Rosecrans and the General-in-Chief. Halleck, have been bad. A sharp correspondence took place between them after the battle of Chattanooga, and before that the Government had found fault with his military conduct on several occasions, and he had resorted by

2454 charges of neglect by the Government and went of support. His removal has been in 1908 contemplation for some time. 4163 Despatch to the Tribune 4116 Your potemporaries, whose entire ignor-

ance of the change in the command of the Army of the Cumberland was enlightened 1820 731 by the anuouncement that it had taken 2221 2710 place, made exclusively in yesterday's Tribune, and by the despatch from Louisville in to-day's journals; are hereby informed $1026 \\ 2953$ that the order in the premises was issued 2204 several days ago, and carried West by Gen. Hartstuff, an officer of the Adjutant General's bureau, detailed for the purpose, and also that Secretary Stanton took a special 1230

train for Louisville, with intent to meet there General Grant, whom he had never The removal of General Rosecrans wils

2911 less a surprise to those who knew the interior history of the campaign of the Army of the Comberland since the removal of Gen Buell than to persons who have no other sources of information than the newspapers. General Thomas is universaily conceded to have richly earned the promotion he re-recives. The only objection made to him in military circles, so far as we site informed, grows out of his refusal to supersede Gen. Buell, when his removal was first determin-ed upon, in consequence of which refusal, and of the remonstrances of Kentnekians of the Guthrie and Crittenden stamp, General Buell retained his command until the elec-tions in the Western States had been lost. the Cumberland since the removal of Gen. 1458 1714 $1610 \\ 1258$ The consolidation of the three Departments of Generals Grant, Burnside, and Thomas into one department, under the command of the captor of Vicksburg, meets 1282 with universal approval. Had this been done before, it is believed that the battle of Chickamauga would either not have been fought or would have been a victory, and

that on many other occasions a unity of action might have been secured which would have been the parent of success. RISE OF THE CUMBERLAND AND TENNESSEE.

If the enemy ever entertained any hopes of permanently cutting the lines of communication by which the Army of the Cumberland receives its supplies, they must now be dissipated. The Cumberland and Tennessee rivers, until recently too shallow to be navigable by the grabbats, have rises very greatly-one of them not less than 92 feet. Admiral Porter has taken advantage of this circumstance to go with his squadron to of cure points where can render essential service to

the army. From the Washington Chronicle We we in receipt of astounding intelli-
