POETRY. The Old Year and the New.

THE DYING YEAR. Ring him out sadly, mon, "Tis his last hour ! Ring not so madly, men, Ring not so gladly, men, Men of the tower!

Light swing the harmor up, Light swing it down; Send not such clamor up O'er the hushed town. Tolt the bells slowly, men,

Toll the bells slowly, men,
"Tis his last hour."
Tell the bells slowly, men,
Dirge-like and holy, men,
Men of the tower." Time strikes eleven, men ! The Strikes eleven, men.
Weird men of the night!
Twelve startles Henven, men.
From its body riven.
The Year's Soul, unshriven, men.
With its Wrong or Right.
Mounts upward in its flight
To the Judgment Light!

THE NEW YEAR BELLS. Now ring ye gladly, men, Without a fear ' Swing 1kz 'engue roadly, men, High in the steeple, Bid all the people Greet the New Year '

Clang all the belies ! Ring every chime! Let their loud swells Brown the death-knells And bless the new time

Merrily, cheerily ring
The glad bella e er ye'
Merrily, cheerily sing
To tied be the glery.
Who hath made us to see
This New Jubilee'

blind goddess.

"Want paper to take this man f" man me take him so quick as cun !"

"All right, my covies-fix you in the jerk of a lamb's tail," said the Justice as he turned to the man and said "You know this woman, can you take

The man shook his head and muttered uninteligible words. "Ah! I see, Can't talk English, Well

them said to the woman --

"Yes-me want to take him- me pay!" "All right P" Then turning to the man who stood trembling-

"You take this woman for better or for worse, and promise to keep her," &c., &c.
"Umph!" and several node of the head. Then in the name of the law, and virtue of the authority in me vested, 1 pronounce you man and wife." And he stepped for-

clutched his hair. The new husband jumped in to take the woman away, and to protect her, as the woman supposed, when in self-preservation the Justice gave him a rap on the nose. The woman pitched into the new husband, who in turn pitched into her, and for about five minutes there was a general hustling and display of legs, garters, and

things decidedly astonishing. should always be directed.

Price of the Palmenic Syrup and Sea Weed Tonic each other, the blood and hair flying in all. Out of more than one hundred delegates to

> and legs mixed up worse than tomato-vines, | the woman on top, and pommeting her newly-made husband with a hearty will.

The newly-married couple were separated, when through the aid of two interpreters it was discovered that the night before the parties, occupying adjoining shanties is the lower part of the town, had got into a dispute over a stove-pipe, which was claimed by both, and from words they had come to

parties had gone in search of another Justice boys" and bathing his bunged eye in cam-phor and whiskey. For an actual fact, it is the richest within our knowledge.

PATRIOTISM OF PRINTERS.-There are, any other profession. Such was the fact | brick. in the Texas and Mexican wars. In the war for the suppression of the rebellion, the same is doubtless true. Among the number kidled at the battle of Chicksmauga, to mail his "lally dux."

THE HOLSTEIN QUESTION. - Threatened A SURE CURE OF THIS TERRIBLE DISCRIPER. War in Europe.-The news from Germany is very threatening. The German EDITORS MISSOURI DEMOCRAT.-Please States appear strongly disposed to support the Duke of Austenburg against Denmark. It is not believed that Denmark will yield without a resort to arms. If war once breaks out on the continent, the probabilithe dyptheria membrane extends into the

involved in it. The London Times says: Denmark is getting ready for war. Her naval vessels are ordered into instant service. and the Minister of War has ordered out all the soldiers belonging to the corps which garrison Helstein, Schleswig and Northern Jutland. The King was to hold a grand review of the army on the 29th ult. The garrison of Kiel has been considerably reinforced, and all the localities in the neighborhood of the town are occupied by solthers from the Danish islands. It is also announced that some Danish ships of war, with troops on board, are expected in the bay of Kiel. The Copenhagen cabinet appears determined to be in a position not only to repel any attack from Germany, but to put down the movements which may arise in the duchies.

ties are that the great powers will become

creating quite an excitement amongst cap-italists. Lends that two years ago sold for and fasten with a thread. \$10 per acre are now selling from \$300 to \$500 per acre, and the quality of wood used in the manufacture of salt and lumber has more than trippled the value of timber lands. A commany has removed by the more than trippled the value of timber lands. A commany has removed by the more than trippled the value of timber lands. A commany has removed by the more than thread.
