I am indebted to my friend Habert Shromaker, Esq. for the removal of this prejudice by proper tests, and for encouragement to try them, when suchering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by widner relief and restoration to a degree of beddy and mental vigor which I had not felt for six months before, and had almost despaired or regaining. I therefore thank find almost despaired for directing to the use of them.
