By giving this branch of trade particular attention, he hopes to make more early returns to consignments and establish for the manufacturers a more valuable communication with purchasers than is possible by those who trade mainly in more heavy lamber.

PARTICULAR NOTICE There are many preparations sold under the name of Bitters, put up in quart Bottles, compounded of the cheapest whiskey or common rum, costing from 20 to 40 cents per gallon, the taste disguised by Anise or Corinnder Seed.

This class of Bitters has caused and will continue

This class of Bliters has caused and will continue to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influence of Alcoholic Stimulants of the worst kind, the desire for Liquor is created and kept up, and the result is all the attendant upon a drunkard's life and death.

For those who desire and will have a Liquor Bit ters, we publish the following receipt. Get One Bottle Hoofland's German Bitters and mix with Three Quarts of Good Brandy or Whiskey, and the result will be a preparation that will far excel in medicinal virtues and true excellence any of the numerons Liquor Bitters in the market, and will cost much less. You will have all the virtues of Hoofland's Bitters in connection with a good article of Liquor, at a much less price than these inferior preparations will cost you.

HOOFLAND'S GERMAN BITTERS Will Give You A GOOD APPETITE,

WIR give you STRONG HEALTHY NERVES, Will give you ERISK AND ENERGETIC FEEL-Will enable you to SLEEP WELL, and will positive ly prevent

Those suffering from Broken down and Delicate Constitutions, from whatever cause, either in Male or Female, will find in HOOFLAND'S GERMAN BITTERS, A REMEDY That will restore them to their usual health. Such has been the case in thousands of instances, and a fair trial is but required to prove the assertion

REMEMBER. THAT THESE BITTERS ARE NOT ALCOHOLIC, And NOT intended as a BEVERAGE

The Proprietors have thousands of Letters from the most eminent Clergymen, Lawyers, Physicians and Citizens, Testifying of their own personal knowledge, to the beneficial effects and medical virtues of these Bitters.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge
Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Sheomaker, Esq., for the removal of this prejudice by proper tests, and for checoaragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief and restoration to a degree of bodily and mental vigor which I had not From Rev. J. Newton Brown, D. I therefore thank God and my friend for directing to the use of them.

Diseases of Kidneys and Bladder,

In Young or Aged, Male or Femule, Are speedily removed, and the patient restored to DELECATE CHILDREN,

Those suffering from Manassus, wasting away, with scarcely any flash on their bones, are cured in a very short time; one bottle in such cases, will have a most surprising effect. PARENTS having suffering children as above, and wishing to raise them, will never regret the day they commenced with these Bitters. LITERARY MEN, STUDENTS, and those working hard with their brains, should always keep a bottle of Hoofland's Bitters near them, as they will find runch benefit from its use, to both mind and body, invigorating and not depressing.

IT IS NOT A LIQUOR STIMULANT, And leaves no prostration.

Attention, Soldiers! AND THE FRIENDS OF SOLDIERS AND THE FRIENDS OF SOLDIERS

We call the attention of all having relations or friends in the army to the fact that "HOOFLAND'S derman Bitters" will care nine tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be no ticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoodani's tierman Bitters. We have us hesitation in stating that if these Hitters were freely used among our soldiers hundreds of lives might be saved that otherwise would be leas.

The proprietors are daily receiving thankful lotters from sufferers in the army and hospitals, who have been restored to health by the use of these listers, sent to these by their free de. BEWARE OF COUNTERPEITS
