

The Sunbury American.

H. B. MARRER, Editor and Proprietor. E. WILBERT, Publisher. SUNBURY, PA.

SATURDAY, DECEMBER 11, 1864.

P. M. PETERSON & CO., No. 37 Park Row, New York, and 6 State Street, Boston, are our agents for the SEBERTY American in those cities, and are authorized to take advertisements and subscriptions for us at our low rates.

Local Affairs.

HALF-SHEET.—A press of Job work, and a scarcity of hands, must be our excuse for issuing only a half-sheet this week.

CHANGE OF TIME.—There has been a slight change in running time of the trains on the Northern Central and the Philadelphia and Erie roads, as will be seen by the new schedule, or time-table, published in our columns. The principal change is in the Erie train, which now arrives, eastward, at 10.30 P. M., an hour and a half later, and northward, at 4.15 A. M., an hour later than previously.

COURT.—The January session of our court will commence on Monday next, the 21 day of January. The trial list is a long one, and contains a number of important cases.

THE CARRIER of the "American," requests us to say that he will call on its patrons to-day, (Saturday) with his address, in which he will briefly present his views of things in general, and the war in particular.

PORKIN.—Several large porkers have been killed this season, in this borough. Among the heaviest were two belonging to Mr. S. Haupt, whose total weight was 922. Another belonging to M. E. Bucher, which weighed 512 pounds.

WE are informed by S. B. Bove, Esq., that he lately purchased a three-story brick building, on the lot lately purchased by him, in Market street, adjoining B. Zettlemeyer. The building will cover the whole front of the lot, and sixty feet in depth. The cellar will be fitted up for a saloon, the lower stories for stores and offices, and the third story for a hall. He estimates the building to cost seven thousand dollars. Mr. Bove is one of our most energetic business men, and will, no doubt, successfully carry out his project.

APPOINTMENTS by the COUNTY COMMISSIONERS.—Charles Weaver has been re-appointed Clerk to the board of Commissioners. Jesse M. Simpson, Mercantile Appraiser. N. P. Wolcott, Solicitor for the county, and Dr. J. W. Peale, Physician for the Jail. These are good appointments. Mr. Weaver, who is the old clerk, has had considerable experience in the office, and is holding his attention to it.

CHRISTMAS.—This time-honored day secured Christian world, was celebrated with the usual cheer, notwithstanding the unfavorable weather. If there is a bright day in the calendar, it is on this day, the 25th of December, and a one just good as any day of rejoicing and good cheer, individually and nationally.

The fine sleighing has almost disappeared.—The rain and mild weather, the beginning of the week, carried off the snow and left the streets almost bare.

THE CENTRAL HOTEL.—We understand this well known hotel has been sold to Mr. Henry Haas of Northumberland, for the sum of \$15,000. Mr. Haas has long been a hotelier, and will set all to make the Central one of the best in the country.

We observe for the last few weeks a large number of horses being taken over the railroad, at this place, on their way to Washington. They are generally good horses, and will set all to Uncle Sam will have a good stock after this "great war is over."

THANKS.—Rev. M. Rhodes requests us to tender his thanks to his friends and members of his church, for their generous donation to him on Christmas eve.

SHERRIFF'S SALES.—Our neighbor of the "Globe," in giving a synopsis of the sales, attributed by Sheriff Weaver, in particular to state the fact that the "American" has been selected as one of the papers for that purpose. The Sheriff is well known as a correct and careful business man, and this is another evidence of that fact. Besides the editor of the "American" and the Sheriff, are personal friends of long standing.

Past Year's Working.—At this time of the year, everybody who has any open accounts, should be putting up his books and getting ready for a general settlement. The man who attends to his duty regularly and thoroughly, at periods not more than a year apart, will do well in the world; let him engage in what business he will, his eyes are open. You might as well attempt to sing a cat from a window as not to fall upon her feet, as to break a man who keeps his accounts posted and holds no frequent settlements. "Short settlements make long friends," and what is stronger argument ever, in these sore days, than, friend, draw up your bills, settle your disputes with your neighbors, on the liberal spirit of compromise, and you will find that you are not so well as you are when another New Year comes in, so you may welcome it in peace and quietude. The U. S. Assessor will call upon you to make returns of your annual income, and you should have your books posted up.

The following is a copy of an address issued to the people of Pennsylvania, by Major Dodge A. A. Provost Marshal General. Our readers should give it a careful perusal, and act accordingly. Every man is interested in the matter, and should assist in filling out the present mentioned:

ATTENTION.—The President has called for 200,000 troops to be raised by volunteering or draft. The 15th of February, 1865, has been fixed upon as the day of draft. If your names are not filled by volunteers by that time the deficiency will most certainly be made up by draft.

Ward and Township Committees are earnestly invited to comment work at once. The longer you the more difficulty will be your task.

The attention of these Committees is also invited to the necessity and propriety of delivering to the District Provost Marshals all delinquents from former drafts.

It is impossible for the United States authorities to find these men, scattered as they are by their friends and by persons hostile to the Government.

Committees, United States, State and County officers, and all good citizens are requested to arrest these men, and deliver them to the Provost Marshals. Every man so arrested and put into service by the Board of Enrollment counts one towards filling your quota.

Information by letter or otherwise, furnished to the District Provost Marshals of the whereabouts of these delinquents will be thankfully received and promptly acted upon.

Provost Marshals will cause lists of delinquents from all former drafts to be made and distributed, to the end that all delinquents may be understood, and in forcing these delinquents to perform their duty to their country and to their own people.

Bring in all your delinquents; exert yourselves to put in volunteers, and the necessity of a draft will be avoided.

Our armies and navies are everywhere victorious. The dawn of peace is at hand. One powerful blow now given, will be fatal to the Rebellion. Let us all, in our several capacities, and as far as in us lies, unite to make that blow effective and final.

MICHAEL J. DODGE, Major 12th Infantry, A. A. P. M. G.
