THE WORLD'S GREAT REMEDY FOR Borofula and Scrofulous Diseases.

From Emery Eds., a well-known twerchant of Onford, Maine.

My daughter, aged ten, had an salicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your Sansaramilla. She has been well for some mouths."

From Mrs. Jame E. Rice, a well-known and muchers and land of Dennisriile, Cape May Co., N. J. "My daughter has suffered for a year past with a serofulous craption, which was very troublesome. Nothing afforded any relief until we tried your Sansaramilla, which soon complictly cured her."

From Charles P. Goge, Esg., of the widely-known Gage, Marray & Co., manufacturers of chamelled papers in Noshun, N. H.

"I had for several years a very troublesome humor in my face, which grew constantly worse until it disigured my features and became an intolerable affliction. I tried almost every thing a man could of both advice and medicine, but without any relief whatever, until I took your Sansaramilla. It insmediately made my face were, as you told me it might for a time; but in a few weeks the new skin began to form under the biotches, and continued until my face is as smooth as any body's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your Sansaramilla."

"Our only child, about three years of age, was attacked by pinnples on his forehead. They rapidly spread until they formed a leathscme and virulent sore, which covered his face, and actually binded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your SansarAkilla, and applying the lodde of potash lotion, as you direct. The sore began to heal when we had fairled the accord. Mr. Ches. S. Fan Liese, of New Brunneick, N.
