LO" ATTEMPT TO SHOOT & MAN IN COURT,-There was a terific flare up in Court at Williamsport, on Tuesday last. A soldier named Goldy; on his return home, not being satisfied with the appearance of his wife, charged her with infidelity which she acknowledged. He indicted a man named Sanford for fornication. While one of the countel was arguing the mase. Goldy approached Sanford, and suidenly snapped a platol which missed, fire, within a faw inches of his head. The latter sprang to his foot and elinched Goldy, when the pistol was fired ... Goldy was of last thrown on the floor, but not until he fired his pistol the third time. Fortunately no one was burt though one man had a ballot put through his cost and his shoulder slightly seratched. The room was crowdel and such somes of confusion and terror are not often witnessed in a court of justice. yet some of them were extremely ludierous. The Judges dropped them extremely inductors, behind their dosks. Lawyer's skededdled over chairs and tables. The Prothono. tory, a six footer, escaped on his hands and kness. A number got out of the windows and others held up chairs as a shield . After the smoke and confusion passed off, the Prosecuter was sent to prison and the defendant was convicted and fined by the court.
