INVALIDS! IRON IN THE BLOOD.

It is well known to the medical profession that ON is the vital Principle or Life Element of the lood. This is derived chiefly from the food we est; load. This is derived chichy from the food we call, ut if the food is not properly digusted, or if, from ny cause whatever, the necessary quantity of iron a not taken into the circulation, or becomes reduced he whole system suffers. The bad blood will irritate the heart, will clog up the langs, will stupefy the brain, will obstruct the liver, and will send its disease producing elements to all parts of the system, and every one will suffer in whatever organ may be predisposed to disease.

The great value of

Iron us a Medicine.

Is well known and acknowledged by all medical men. The difficulty has been to obtain such a preparation of it as will enter the circulation and assimilate at once with the bland. This point says Dr. Hays, Massuchusetts State Chemist, has been attained in the Peruvian Syrap, by combination in a way helier unknown.

SCHENCK'S MANDRAKE PILLS

SICR HEADACHE, Its Simptons Cause and Cure.

Turs has received its name from a constant nauses r sickness at the stomach, which attends the pain in he head. This headache is apt to begin in the morning on waking from a deep sleep, and when ome irregularity of diet has been committed on the day before, or sometimes for several days previous. At first there is a distressingly oppressive feeling in the head, which gradually merges into a severe heavy pain in the temples, frequently attended by a tense of fullness and tenderness in one eye, and exsending across the forehead. There is a clammy, un pleasant taste in the mouth, an offensive breath, and the tongue covered with a yellowish white fur. The sufferer desires to be alone in the dark room. As soon as the patient feels the fullness in the head and pain in the temples, take a large dose of Schenke's Mandrake Pills, and in an hour or two they will feel as well as well as ever. This has been tried by thou tands, and is always sure to cure, and instead of the sick headache coming on every week or ten days, hey will not be troubled with it once in three

Schenck's Mandrake Pills are composed of a num ter of roots besides Podophinin, or concentrated Mandrake all of which tend to relax the secretions of the liver, and act more prompt than blue pills or aereury, and without leaving any dangerous effects In a bilious person they will show themselves by the stools. They will expel worms, mucos, bile and all morbid matter from the system. In sick headaches if they are taken as directed abvove, (a full dose as soon as they feel the flist symptoms of it Dr. Schenek will and has directed his agents to return the money if they do not give perfect satisfaction.

If a person has been compelled to stay out late at night and drink too much wine, by taking a dose of pills on going to bed, next morning he will feel as though he had not drank a drop, unless he forgets to go to bed at all.

They only cost 25 cents a box. Whoever takes them will never use any other. They are worth a dollar to a sick man for every cent

Dont forget the name-Schunck's MANDRAKE PILLS. Sold wholesale and retail at Dr. Schenek's Princi pal Pffice, No. 15, North Sixth street, Philadelphia and by Druggists and Storekeepers generally. Price for Pulmonie Syrup, Sesweed Tonic, each

\$1.50 per bottle. \$7.50 the half dozen, or two botties of Syrup and one of Tonic, for \$3.75. Dr. Schenck will be at his office, No. 15 North Sixth Street, Philadelphia, every Saturday to see patients. He makes no charge for advice, but for a through examination of the lungs with his Respiremeter, he charges \$3. March 18 1865.

HELMBOLD'S FLUID EXTRACT BUCHU

Improved Rose Wash Will radically exterminate from the system Diseases arising from Habits of Dissipation, at little expense, little or no change of diet, no inconvenience or exposure; completely superseding those unpleasant and dangerou remedies, Copabia and Mercury, in curing these diseases.

USE HELMBOLD'S FLUID EXTRACT BUCHU

In all Diseases of the Urinary Organs, whether existing i MALE OF FEMALE, from whatever cause originating, and no matter of how long standing. It is pleasant in its teste and oder, IMMEDIATE in action, and more strengthening than any of the preparations of Bark or Iron.

Those suffering from Broken Down or Delicate Consti-

tutions, procure the Remedy at once. The Reader must be aware that however slight may be the attack of the above diseases, it is certain to affect his Bodily Health, Mental Powers and Happiness. If no treatment is submitted to, Consumption or Insanity may

All the above diseases require the aid of a diurelle. HELMBOLD'S EXTRACT BUCHU Is the Great Diuretic.

HELMBOLD'S BIGBLY CONCENTRATED

Compound Fluid Extract Sarsaparilla, For purifying the blood, removing all diseases arising from excess and imprudence in life, chronic constitutional discases arising from an impure state of the blood, and the only reliable and effectual known remedy for the cure of Scrofula, Scald Head, Salt Rheum, Pains and Swelling of the Bones, Ulcerations of the Throat and Legs, Blotches, Pimples on the Face, Tetter, Erysipelas, and all scaly cruptions of the skin, and beautifying the complexion.

HAPPINES

NOT A FEW Of the worst disorders that afflict mankind arise from the corruption that accumulates in the Blood. Of all the discoveries that have been made to purge it out, none can equal in effect HELMBOLD'S COMPOUND EXTRACT OF SARSAPARILLA. It cleaners and renovates the Blood, instills the vigor of health into the system, and purges out the humors which make disease. It stimulates the healthy functions of the body, and expels the disorders that grow and rankle in the Blood. Such a remedy, that could be relied on, has long been sought for, and now, for the first time, the public have one on which they can dopend. Our space here does not admit of certificates to show its effects, but the trial of a single bottle will show to the sick that It has virtues surpassing anything they have

ever taken. Two tablespoonsful of the Extract of Sarsaparilla, added to a pint of water, is equal to the Lisbon Diet Prink, and one bottle is equal to a gallon of the Syrup of Sarsaparilla, or the decoction as usually made.

The above Extracts are prepared on purely scientific principles—in Facus—and embody the full strength of the lagredients entering into their composition. A ready and conclusive test will be a comparison of their proper-ties with those set forth in the U. S. Dispensatory.

HOW TO USE THE REMEDIES.

In Diseases of the Blood, Humors on the Face, or any and every part of the body, use Extract Sarsaparilla, applying to Pimples and all external Humors or Eruptions Use the Extract Buchu for all diseases requiring the aid

of a Diaretic, except those of the Urinary Organs, such as Congretums and Charte in these was the Petract Do and inject with the Improved Rose Wash. THESE EXTRACTS HAVE DEEN ADMITTED TO USE IN THE UNITED STATES ARMY, and also are in very general use in all the STATE HOSPITALS AND PUBLIC INSTITUTIONS throughout the land, as we'les in private practice, and are considered as invaluable
