This certifies that I have used the Phoenix Peetera in my family and I recommend it to the public as the very best remedy for Cough and Colds that I have ever tried. Having heard as much said about the Phoenix Peeteral is procured a bottle of it. The first done relieved the difficulty of breathing and before the child had taken one-tourth of the bottle it was entirely well. Every family should have it in the entirely well. ### SCHENCK'S WILD CHERRY MANDRAKE PILLS

SICK HEADACHE,

Its Simptons Cause and Cure. This has received its name from a constant nausea or sickness at the stomach, which attends the pain in he head. This headsche is apt to begin in the morning on waking from a deep sleep, and when some irregularity of diet has been committed on the they before, or sometimes for several days previous. At first there is a distremingly oppressive faciling in the head, which gradually merges into a revere heavy pain in the temples, frequently attended by a tense of fullness and tenderness in one eye, and exending across the forebend. There is a claume, unpleasant taste in the mouth, an offensive breath, and he tongue covered with a yellowish white fur. The sufferer desires to be alone in the dark room. As soon as the patient feels the fullness in the head and pain in the temples, take a large dose of Schenke's Mandrake Pills, and in an hour or two they will feel as well as well as ever. This has been tried by thoutands, and is always sure to cure, and instead of the sick bendache coming on every week or ten days, hey will not be troubled with it once in three

Schenek's Mandrake Pills are composed of a numher of roots beside Podophinin, or concentrated Mandrake all of which tend to relax the secretions of the liver, and act more prompt than blue pills or mercury, and without leaving any dangerous effects in a bilious person they will show themselves by the stools. They will expel worms, mucus, bile and vil morbid uniter from the system. In sick hendnehes if they are taken as directed abyove, (a full dose as soon as they feel the first symptoms of it Dr. Schenek will and has directed his agents to return the money if they do not give perfect satisfaction.

If a person has been compelled to stay out late at night and drink too much wine, by taking a dose of pills on going to bed, next morning he will feel as though he had not drank a drop, unless he forgets to go to bed at all. They only cost 25 cents a box.

Whoever takes them will never use any other .--They are worth a dollar to a sick man for every cent Post forget the name-Schenck's MANDRAKE

### ANDAPPINESS

NOT A FEW

Of the worst disorders that afflict mankind arise from the corruption that accumulates in the Blood. Of all the discoveries that have been made to purge it out, none can equal in effect HELMBOLD'S COMPOUND EXTRACT OF SARSAPARILLA. It cleanses and renovates the Blood, instills the vigor of health into the system, and purges out the humors which make disease. It stimulates the healthy functions of the body, and expels the disorders that grow and rankle in the Blood. Such a remedy, that could be relied on, has long been sought for, and now, for the first time, the public have one on which they can depend. Our space here does not admit of certificates to show its effects, but the trial of a single bottle will show to the sick that it has virtues surpassing anything they have

ever taken. Two tablespoonsful of the Extract of Sarsaparilla, added to a pint of water, is equal to the Lisbon Diet Drink, and one bottle is equal to a gallon of the Syrup of Sarsaparilla, or the decection as usually made.

The above Extracts are prepared on purely scientific principles—in Vacuo—and embody the full strength of the ingredients entering into their composition. A ready and conclusive test will be a comparison of their properties with those set forth in the U. S. Dispensatory.

### HOW TO USE THE REMEDIES.

In Diseases of the Blood, Humors on the Face, or any and every part of the body, use Extract Sarsaparilla, applying to Pimples and all external Humors or Eruptions the Improved Rose Wash.

Use the Extract Buchu for all diseases requiring the ald of a Diuretic, except those of the Urinary Organs, such as Gonorrhon and Gleet; in these use the Extract Buchu and inject with the Improved Rose Wash. \$37 THESE EXTRACTS HAVE DEEN ADMITTED TO USE IN THE UNITED STATES ARMY, and also are
