THE PHENIX PECTORAL Or compound Syrup of Wild Cherry and Root, will cure the Diseases of the THROAT AND LUNCS. Such as Colds. Coughs, Croup, Asthma, Bronchuiss Catarrh, Sore Throat, Hoarseness, Whooping Cough, &c. Its timely use will prevent Pulmonary Consumption, and even where this fearful dusease has taken hold it will afford greater relief than any other

This Pectoral is made from Wild Cherry Bark and Seneka Snake Root.

Its Composition is a sufficient guarantee of its value. Dr. Geo. B. Wood, Professor of the Practice of Medicine in the University of Pennsylvania, Physician to the Pennsylvania Hospital and one of the authors of the United States Dispensatory, says of Wild Cherry Bark—'It is among the most valuable of our indigenous remedies, uniting with a tonic power the property of claiming irritation and diminishing nervous excitability.'

The same distinguished physician and authors says in the same distinguished physician and authors says in the same work, 'Seneka Snake Root is a stimulating expectorant. Its action is especially directed to the imags. It is peculiarly useful in chronic catarth affections and the secondary stages of croup.' For want of space we enanot publish all the testimonials in our possession, but we give two:

PHOINIXVILLE, April 1st, 1864.

This is to certify that I have sold hundreds of bot-ties of Dr. Oberholtzer's Phanix Pectoral or Com-pound Syrup of Wild Cherry and Seneka Snake Root and I have yet to find a single individual who has need it, who does not bear tectimony of its wonderful effects in curing coughs. Signed, Jacon Powens. HALLST, PREMIXVILLE, Jan. 11, 1864.

I must cheerfully hear testimeny to the value of his Phisonic Pectural or Compound Syrup of Wildherry and Seneka Snake Rant. Before using it I and been suffering with a tickling in my throat and tight cough, for more than two years, and had taken various other medicines with morelief. As soon as I began to use Dr Oberholtzer's medicine the irrita-

tion in my threat was alloyed and in a few weeks I was entirely cared.

I have also given it to my little girl, for a croupy cough, with the happiest effects.

Signed,

JOSEPH LUKENS.

Portsrews, Jan. 3d, 1865.
This certifies that I have used the Phonix Pectoral in my family, and I recommend it to the public as the very best remedy for Cough and Colds that I have ever tried. One of my children was taken with a cold accompanied with a Croupy cough; so bad indeed that it could not talk and scarcely breathe. Having heard so much said about the Phoenix Pectoral I precured a bottle of it. The first dose relieved the difficulty of breathing and before the child had taken one fourth of the bottle it was entirely well. Every family should have it in the entirely well. Every family should have it in the house. Signed,

The proprietor of this medicine has so much confidence in its curative powers, from the testimony of hundreds who have used it, that the money will be refunded to any purchaser who is not satisfied with

It is so pleasant to take that children cry for it. It costs only Thirty-live Cents,
It is interded for only one class of diseases, namely base of the Thront and Lungs.
