taken hold it will afford greater relief than any other medicine. This Pectoral is made from Wild Cherry Bark and Seneka Snake Root. Its Composition is a sufficient guarantee of its value. In Greo. B. Wood, Professor of the Practice of Medicine in the University of Pennsylvania, Physi-cian to the Pennsylvania Rospital and one of the anthors of the United States Dispensatory, says of Wild Cherry Bark—"It is among the most valuable of our indigenous remedies, uniting with a tonic pow-er the property of claiming irritation and diminish-ing nervous excitability." The same distinguished physician at antions says in the same over, "Seneka Snake toot is a stimula-ting expectorant. Its action *P* especially directed to the lungs. It is peculiary useful in chronic ea-tarth affoctions and the secondary stages of eroup." For want of space we exinct publish all the testi-monials in our observents. Its action the give two: PacenixvitLE, April 1st, 1864. PROMIXVILLE, April 1st, 1864.

PRENIXVILLE, April 18., for his is to certify that I have sold hundreds of bot-les of Dr. Oberholtzer's Phoenix Pectoral or Com-pound Syrup of Wild Oherry and Senets Snake Root and I have yet to find a single individual who has used it, who does not bear testimony of its wonderful effects in curing conghs. Signed, Jacon Powens. HALL ST. PRIENIXVILLE, Jan. 11. 1864.

I most cheerfully bear testimony to the value of the "Phoenix Pectoral or Compound Syrup of Wild Cherry and Beneka Snake Reot." Before using it 1 had been suffering with a tickling in my throat and tight cough, for more than two years, and had taken various other medicines with no relief. As soon as 1 began to use Dr Oberholtzer's medicine the irrita-tion in my throat was ullayed and in a few weeks I was entirely cured.

was entirely cured. I have also given it to my little girl, for a croupy cough, with the happiest effects. Signed, JOSEPH LURESS.

Porrsrows, Jan. 34, 1865. This certifies that I have used the Phomix Peeto-ral in my family, and I recommend it to the public as the very best remedy for Cough and Colds that I have ever tried. One of my children was taken with a cold accompanied with a Croupy cough; so bad indeed that, it could not taik and sourcely breathe. Having heard so much said about the Phomix Peetoral I produced a bottle of it. The first does relieved the difficulty of breathing and before the child had taken one-fourth of the bottle it was entirely well. Every family should have it in the house. Signed, D. P CROSHY.

The proprietor of this medicine has so much confidence in its curative powers, from the testimony of hundreds who have used it, that the money will be refunded to any purchaser who is not satisfied with

ts effects It is so pleasant to take that children ery for it.

It costs only Thirty-five Cents, It is intended for only one class of diseases, namely those of the Throat and Lungs. LEVI OBERHOLTZER, M. D.
