This is to certify that I have sold hundreds of bot-ties of Dr. Oberhaltzer's Phoenix Pectoral or Com-pound Syup of Wild Cherry and Seneka Sanke Root and I have yet to find a single individual who has used it, who does not bear testimony of its wonderful effects in curing coughs. I most cheerfully hear testimony to the value of the "Phoenix Pectoral or Compound Symp of Wild had been suffering with a testing in the party much at I tight cough, for more than two years, and had taken various other medicines with no relief. Having heard so much and stoard the Phaenix Pentoral I precured a bottle of it. The first does relieved the difficulty of breathing and before the child had taken one-fourth of the bottle it was entirely well. Every family should have it in the house. Signed,
