BALTIMORE LOCK HOSPITAL.

ESTABLISHED AS A REFUGE FROM QUACK-ERY. THE ONLY PLACE WHERE A CURE CAN BE OBTAINED.

CAN BE OBTAINED.

B. JOHNSTON has discovered the most Certain, Speedy and only Effectual Remedy in the World for all Private Diseases, Weakness of the Back of Limbs, Strictures, Affections of the Kidneys and Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsy, Languer, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Tremblings, Dimness of Sight or Giddiness, Disease of the Head, Thront, Nose or skin, Affections of the Liver, Lungs, Stomach or Bowels—those Terrible Disorders arising from the Solitary Habits of outh—those secret and solitary practices more fatal to their victims than the song of Syrens to the Madiners of Ulysses, blighting their most brilliant hopes of anticipations, rendering marriage, &c., impossible.

specially, who have become the victims of Solitary itee, that dreadful and destructive habit which smually sweeps to an untimely grave thousands of Young Mon of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of elequence or waked to ecstaty the living lyre, may call with full con-

MARRIAGE. Married Persons, or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., speedily cured.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a Physician. ORGANIC WEAKNESS

Immediately Cured, and Full Vigor Restored.

This Distressing Affection—which renders Life miserable and marriage impossible—is the penalty paid by the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent? Besides being deprived the pleasures of healthy offspring, the most scrious and destructive symptoms to both body and mind arise. The system becomes Deranged, the Physical and Mental Functions Weakened, Loss of Procreative Power, Nervous Irritability, Dyspepssa, Palpitation of the Heart, Indigestion, Constitutional Debility, a Wasting of the Frame, Cough, Consumption, Decay and Death,

Office, No. 7 South Frederick Street Left hand side going from Baltimore street, a few doors from the corner. Fail not to observe name Letters must be paid and contain a stamp. The Doctor's Diplomes hang in his office.

A CURE WARRANTED IN TWO DAYS.

No Mercery or Nauseoni Drugs. DR. JOHNSTON.

Member of the Royal College of Surgeons, London, Graduate from one of the most eminent Colleges in he United States, and the greater part of whose life asbeen spent in the hospitals of London, Paris, niladelphia and elsewhere, has effected some of honest astonishing cures that were ever known; anny troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind, were pared in mediately.

PAKE PARTICULAR NOTICE. Dr. J. addresses all those who have injured them, solves by improper indulgence and solitary habits, which ruin both body and mind, unfitting them for

MENTALLY.—The fearful effects on the mind are
much to be dreaded—Loss of Memory, Confusion of
Ideas, Depression of Spirits, Evil-Forebodings, Aversion to Society, Self-Distrust, Love of Solitude, Timinity, he are some of the evils produced.

Timinity, he are some of the evils produced.

Thousands of persons of all ages can now judge what is the cause of their declining health, losing tueir vigor, becoming weak, pale, nervous and e naciated, having a singular appearance about the e naciated, having symptoms of consump eyes, cough and symptoms of consump eyes, cough and symptoms of consump

Who have injured themselves by a certain practice indulged in when alone, a habit frequently learned from evil companions; or at school, the effects of which are nightly felt, even when asleep, and if no cured renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prespects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons MUST, before contemplating

MUST, before contemplating

reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection that the happiness of another becomes bighted

When the misguided and imprudent votary of pleasure finds that he has imbibed the seeds of this painful disease, it too often happens that an ill-timed paintul disease, it too often happens that an ill-timed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease the constitutional symptoms of this horrid disease make their appearsance, such as ulcerated sore throat, diseased nore, nocturnal pains in the head and limbs, diunces of sight, deafness, nodes on the shin bones and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commiscration, till death puts a period to his dreadful sufferings, by sending him to "that Undiscovered Country from whence no traveller returns."

It is a mclancholy fact that thousands fall victims to this terrible disease, owing to the unskillfulness of

to this terrible disease, owing to the unskillfulness of ignorant protenders, who, by the use of that Deadly Porson. Lacrety, ruin the constitution and make the residue of life miserable. the residue of life miserable.

Trust not your lives, or health, to the care of the many Unlearned and Worthless Pretenders, destitute of knowledge, name or character, who copy Dr. Shaston's advertisements, or style themselves, in the newspapers, regularly Educated Physicians, incapable of Curing, they keep you trifing month efter mouth taking their filthy and poisonus compounds, or as long as the smallest fee can be obtained, and in despair, leave you with ruined health to sigh over your galling disappointment.

Dr Johnston is the only Physician advertising. His eredential or diplomas always hang in his office. His remisties or treatement are unknown to all others, prepared from a life spent in the great hospitals of Europe, the first in the country and a more extensive Private Practice than any other Physician in the world.

INDORSEMENT OF THE PRESS The many thousands cured at this institution year sfter year, and the numerous important Surgical Operations performed by Dr. Johnston, witnessed by the reporters of the "Sun," "Clipper," and many other papers, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.

EASES*

Persons writing should be particular in directing their letters to his Institution, in the following manner.

CONSTITUTION WATER.

The astonishing results which has attended this invaluable medicine proves it to be the most perfect remedy ever discovered. No language can convey an adequate idea of the immediate and almost miraculous change which it occasions to the debilitated and shattered system. In fact it stands unrivalled as a remedy for the permanent cure of Diabetes, Impotency, Loss of Muscular Energy, Physical Prostration, Indigestion, Non-retention or Incontinence of Urine, Irritation, Inflamation or Ulceration of the Bladder and Kidneys, Discosses of the Prostrate Gland, Stone in the Bladder, Calculus, Gravel, or Brickdust Deposit, and all discases or affections of the Bladder and Kidneys, and Dropsiual Swellings existing in Men, Women, or Children. For those Diseases peculiar to Fe

males, Constitution Water is a Sovereign Remedy. These Irregularities are the cause of frequently recurring disease, and through neglect the seeds of
more grave and dangerous caladies are the result;
and as month after month passes without an effort
being made to assist nature, the difficulty becomes
chronic, the patient gradually loses her appetite, the
bowels are constipated, night sweats come on, and
consumption finally ends her career.

For sale by all Druggists. Price \$1.

POETICAL.

ONE PAIR OF STOCKINGS An old woman sat by her bright fireside Swaying thoughtfully to and fro. In an ancient chair whose creaky craw Told a tale of long ago; While down by her side on the kitchen floor, Stood a basket of worsted balls—a score

Then she spoke of the time when the basket there

And the patter of many feet;
'Tis for this that a tear gathered over my sight.
At the one pair of stockings to mend to-night. 'Tis said that far through the forest wild

Another went forth on the foaming waves,

Two others have gone toward the setting sun,
And made them a home in its light,
And fairy fingers have taken their share
To mend by the fireside bright;
Some other basket their garments fill.
But mine! Oh, mine is emptier still!

Another-the dearest, the fairest, the best-Was taken by angels away.

And clad in a garment that waxeth not old,
In a land of continual day.

Oh, wonder no more at the dimmed eye-sight.

While I mend the one pair of stockings to-night!

TALES & SKETCHES.

TROUBLED HONEYMOON.

Mrs. Vaughan cried just enough not to redden her nose; Vaughan did the dignified pater familias to a charm; and George and Katie were so affectionate as to give the world an idea that here was a match made

moire antique and orange flowers were laid aside, and the pretty traveling suit of alpac-D'Aubrey had made up for the season. Then there was the little bonnet of gray silk to match the dress, with its blue face trimming crown; and it was such a fine morning, and every thing looked "propitious; and in the midst of congratulations and kisses, George that's a dear woman." and Katie started for the depot.

up his traveling shawl and Katte grasped her parasol,

"George, dearest," said the bride, "do run out and see to the trunks! I should die if, when we get to the Falls, my clothes should not be there! It would be dreadful to be obliged to go to dinner in my traveling dress ! 'Go see to them, there's a darling ! George vanished; the train puffling and smoking shot into the depot. Conductor popped his head into the ladies' room, shout-

up ladies! Five minutes behind time and another train due Katie did not know whether she was bound for Danville or not; probably she had better get in and let George follow. So she entered the long and smoky vehicle feel-

the slightest provocation. The conductor "Is my husband-" "Qh, yes, yes, all right," said the official, "I'll send him right along," and he vanished

from view in the long line of moving car-Meanwhile George having seen to the baggage-a proceeding that had occupied more time than he had intended-returned to the ladies' room to find Katie missing-searched about wildly, inquiring of every one he met,

said a ticket agent of whom he made inquiry. "You are going to Buffalo, I think you said; that's the train to Buffalo; you'll likely find her there. Just starting, not a mo-

ment to lose " George grasped the railing of the hind car as it flew by, and, flinging open the door he rushed through car after car, but seeking in vain for Katie. She was not on the train. "Most likely she got on the wrong train and went by Groton," said the conductor. "Groton is a way station fitteen miles further We stop there fifteen or twenty minutes for refreshments. You'll doubtless find her there."

The cars flew over the track. George mentally blessed the man who invented steam engines—he could reach Katie so much sooner. Dear little thing! how vexed

clerk of the station. Yes, the clerk believed there was one lady who had come alone; she had gone to the Belvidere House—she George waited to hear no more. He hur-

Great quantities of baled cotton were stored near the river. By means of cables extending across the river, the bales were fastened to each other in the water, two in width, until a sufficient number was used to float a superstructure of string pieces and plank, on which the troops and trains crossd the next day. The bridge was built in one night—the men working by short reliefs and lighted by large fires on the shores. The lumber used in its construction was obained from a cotton gin which stood near by. The material used in this perishable structure was estimated at \$140,000 value in

CLEAN UP .- This is the season to lence. Let the borough authorities make

A WORD OF CAUTION,-Soldiers and ailors who make application for bounty back pay should be very careful with whom they trust their discharge papers, or they will have them spritted away, no one knows whither. Since the introduction into Congress of the bill for the equalization of soldier's bounties, hundreds of people of doubtful reputation have been scattering circulars broadcast over the country, stating that the bill will soon be passed, and advis-ing soldiers to send their papers to the wri-ters of the circulars at once, so that the bounty can be collected as soon as the bill passes. Soldiers cannot be too careful of their papers, and in selecting agents to pro-secute their claims should choose those only

Court of Queen's Bench the prisoners charged with attempting to kidnap George N. Sanders have been formerly acquitted. This has happened through a technical blunder in taking the depositions before Then, for the first time, George looked at the Police Magistrate, by whom the prisoners were committed.

largest dairy farm in the world, covering seventy-one thousand acres, says that the Ranchero Carisitas, of the Cavagos family, between Brownsville and Corpus Christi, in Texas, covers over eighty leagues, or more than four hundred thousand acres.

An unknown woman, too poor to pay the fare across the regular bridge, at Troy, N. Y., on Sunday evening, attempted to pass on the long railroad bridge, and becoming dizzy, fell through into the water and was

"Hallo, there! is it you or a 1rog:
"It's me," cried George, "and I shall be dead in ten minutes! Come quick! I'm graphed to the principle stations along the road for information of you. Why did I the Bunch of Grapes, Nicholas street, on Thursday next, at three o'clock in the after-

quence of the decline of gold. The press of that city very naturally solicits informa-tion in regard to the assumed fact upon which their decision is based. The only prisoner at Massachusetts State prison, at Charlestown, subjected to close confinement for life, is James Wilson, who

was incarcerated in 1863 for the murder of a

to the whole country." Money is very scarce in Russia, and 72 per cent. is frequently charged for money loaned. Immense numbers of estates are for sale, but no purchasers present themselves The most important commerce of the Russian empire, that of cereals, is at a complete

The Atlanta Intelligencer gives the following striking facts: Within the limits of forty-six counties composing this, the fourth revenue collector's district, there are over three hundred distilleries. No wonder "corn" and "peach" are so abundant. But for the tax imposed upon these articles, they would be "cheap as dirt," and, as a friend

RECIPES, &c. BROWN BREAD .- Take flour made of good ordinary sized loaf, the bread will retain its

To have it less brown, make the sponge of fine flour, and when light, knead into it as much of the bran flour as will make the dough stiff enough for moulding into loaves As this kind of bread is particularly adapted to persons in delicate health, and invalids, all acids and alkalies should be avoided in its preparation. Made in the foregoing plain, simple manner, it is a very

system indispensable to good health .- Ger antown Telegraph.

JENNY LIND CARE.—Half cup of sugar, three cups of flour, two of milk, one teaspoonful of cream of tartar, one of soda, a ittle salt, bake twenty minutes

CHEAP CARE.—One pint of flour, one egg. one cup of sugar, butter as large as the bowl of a spoon, milk to make stiff as pound cake, one teaspoonful of cream of tartsr, half teaspoonful of sods.

of sugar, one of molasses, two pounds of currants, one pound of citron, ten eggs, one tumbler of cream, one half tumbler of brandy, one teaspoonful of saleratus, spice of all LEMON TARTS .- Mix well together the

juice and grated rinds of two large lemons, half a pound of powdered loaf sugar, two
eggs, and the crum of two sponge cales;
best it thoroughly smooth, and put is into
twelve patty-pans, lined with a light puff
paste; bake them until the rust is done.

SATURDAY MORNING, APRIL 21, 1866.

Anen sne spoke of the time when the basket there
Was filled to the very brim,
And now there remained of the goodly pile
But a single pair—for him.
Then wonder not at the dimmed eye-sight,
There's but one pair of stockings to mend to-night.

This said that far through the forces what And over the mountains bold.

Was a land whose rivers and darkening caves, Were genmend with the rarest gold; When my first-born turned from the caken door, And I knew the shadows were only four.

And diminished the basket's store—
But his feet grew cold—so weary and cold—
They'll never be warm any more;
And this nook in its emptiness seemeth to me
To give forth no voice but the mean of the sea

New York clean up, says an exchange. Clean up the street, lanes and alleys-remove all the rubbish and deposit it in some out of the way place. Clean up your houses and cellars, and prepare for the coming warm weather, ing the description he gave of Katie had In this way you will save much annoyance. trouble, and in many cases, remove that which may cause disease and breed pestiup their minds to have clean streets and

who are of established reputation.

Katie's style had arrived; perhaps she had stopped at Margate, ten miles back.—
George seized on the hope. There was no train to Margate until the next morning, but the wretched husband could not wait all night—he would walk.

He got directions about the roads: was George's head.
