Ly" APPOINTMENT. -Thomas M. Pursel, of Sunbury, has been appointed Janitor of the new Court House, by the County Commissioners, at a salary of \$300 a year. ---

CHILD DROWSED .- A little child, son of James McCutcheon, of Milton, was drowned at that place, on the 9th inst. He had wandered off by himself to the river, and while standing on some logs, lost his balance and fell into the water.

LP DEATH OF A SOLDIER .- Wm. H. Blair, a oldier in the late war, died in Milton, on the 11th insis, of disease contracted while in the army. He belonged to Co. H., 5th Penna Reserves.

The office of the General Superintendent of the Philadelphia & Eric Rall Road was removed architectural design intended, when completed .from Williamsport to Eric, Pa., on Thursday last.

We notice the card of Col. J. P. S. Gobin, in the Lebanon Courier of last week, who has entered upon the practice of the 'aw in that city. The Colonel will, no doubt, gain many friends in his new locationas he is descrying of them.

The sword and stone man paid our town a visit on Monday last, and entertained some of our citizens with his feats of swallowing swords and stones.

This is a common lable move of a worthy officer, and we hope he will continue to attend to his duties with out fear or favor, and have our town look more respectable than it has during the past year.

TT A JUST COMPLIMENT .- The Danville Ameri-"au speaks in very complimentary terms of our young filend, N. Ferree Lightner, formerly of Danville, but now the enterprising proprietor of the new book and stationery store, in this place. The editor says "Ferree merits the confidence and sup. port of the public It is always a source of gratification to see a young tran of enterprise and integrity marest with encouragement," especially those of our cowrs !Mality or acquaintance."

EP THE WEATHER .- E rerybody seems to com plain of the present backward season. Vegetation is at feast one-month hehind time, whether for good or for evil, Heavis suich all things only knows .-The lateness of the reason will, most probably, prove a blessing in some respects. To e chances are that we shall have a much better grap of peaches, pears, Dr. Eyster, who has just received, and is now selling apples, do., then we have had for some years, and Spring and Summer Goods at greatly reduced prithis name will more than compensate as for the ecs.
