Yours, truly,

Dr. Serrexx—Dear Si :—About two years ago I was taken with a very troublessume cough and a pain in my breast; seven or eight months passed away without roy doing acything for myself. Then I napiled to a physician, who attended me for about three montes without rendering me any service. I also obtained the newton and treatment of a physician in one of our hespitals, and sind that a physician in the control of a physician in one of our hespitals, and sind that have and treatment of two other physicians, but all to no purpose. During this long space of time I was nearly dead; several times my friends came to see me and witness my exit into the spirit-would. I was confined to my heat two meanlis at one time. My breating was exceedingly short. I gave an several times all hope of getting better; and as regarded getting well, that wou entirely out of the question. And to think this cay I am well and hearty: I was advised by some of my friends to try Dr. Schenck's Medicines. I accordingly beauth to the dret bettle, until I reached the mint; then I i good decided change in any cough for the better. I suffered severely from palatation of the heart, and two weeks after I estimatered taking your medicine into dincutive cased.

after I commenced taking your institute this directivy ceased.

When I first went to Dr. Schenek's office it was with difficulty that i confider up into his reception from, i was so wear and as swelled; my skin work as sallow as the until had the panelice; I felt dail, nearly metric collect. Dr. Schenek after examining me said took my lings were affected, and gave me but into hope, but his medicanes, in about two weeks, book right hold on me; it seemed to go right through by whole system. The full mine Spron, Sea Wheat Poteca Market Poiss and hole right hold in the right place. The Pais through nearly great quantities of line and sinter; the Syring lookened the matter in my longs, which cause of very free; the Sea-Weed Paine gave me an appetite, and everything second to taste good. To show what great power the medicines have in purifying my system, and to show how had I was discussed, beade all the tale that passed my heavels, and the great quantities of phages and matter I expect rates, I have out all over in large both, that would continue to gather and run for about aix weeks, and I had at one tone over twenty-five bods. I have nothing of the kind new, and red like another person aborgetier. I can safely say that I have not employed such health for five years as I do now, and continue not employed such beath for five years as I do now, and cannot praise you and four medicines enough. May God abundantly bless and preserve you? I at the sincer desire of one who has been so wonderfully releved through your agency; and if any one desires to know with regard to the truthfulness of that repair, of the will be passed by the case. Yours, with much respect.
