CONSTITUTION WATER.

The astonishing results which has attended this invaluable medicine proves it to be the most perfect remedy ever discovered. No language can convey an alequate idea of the immediate and almost mirraculous change which it occasions to the debilitatel and shattered system. In fact it stands unrivalled as a remedy for the permanent cure of Diabetes, Importency, Loss of Muscular Energy, Physical Prostration, Indigestion, Non-retention or Incontinence of Urine, Irritation, Inflamation or Ulceration of the Bladder and Kidneys, Diseases of the Prostrate Gland, Stone in the Bladder, Calculus, Gravel, or Brickdust Deposit, and all diseases or affections of the Bladder and Kidneys, and Dropsical Swellings existing in Men, Women, or Children.

These Irregularities are the cause of frequently re-curring disease, and through neglect the seeds of more grave and dangerous maladies are the result; and as month after month passes without an effort being made to assist nature, the difficulty becomes chronic, the patient gradually loses her appetite, the bowels are constipated, night sweats come on, and consumption finally ends her career.

CONSTITUTION LIFE SYRUP

Cures all Swelling of the Glands. Cures all Swelling of the Glands.

Either of the Face, Neck, or Female Breast, and should be taken as soon as the swelling is detected, thus preventing their breaking, and producing troublesome discharging sores, which disfigure so many of the younger portion of the community, from six to twenty years of age. Young children are very subject to discharges from the cars, which depends upon a scrofulous constitution. These cases soon recover by taking a few doses of the Life Syrup.

S

reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection that the happiness of another becomes bighted with our own.

DISCASE OF IMPRESENCE.

When the misguided and imprudent votary of pleasure finds that he has imbibled the seeds of this paniful disease, it too often happens that an ill-timed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease.

Epileptic fits, sympathetic or organic diseases of the heart, as palpitation, diseases of the valves, producing a grating or filing sound, dropsy of the heart case and all the affections of this important organ (persons suffering from any acute pain in the region of the heart), will be greatly relieved by Constitution Lafe Syrup.

Broken-Down and Delicate Constitutions suffering from Indisposition to Exertion, Pain in the Back, Loss of Memory, Forebodings, Horror of Calamity, Fear of Disease, Dimness of Vision, Dry, Hot Skin and Extremities, Want of Sleep, Restlessness, Pale Haggard Countenance, and Lassitude of the Muscular System, all require the aid of the Constitution Life Syrup.

FOR ALL FORMS OF LCERATIVE DISEASES. Either of the Nose, Throat, Tongue, Spine, Forehead, or Scalp, no remedy has ever proved its equal.

Moth Patches upon the female face depending upon the diseased action of the liver are very unpleasant to the young wife and mother. A few bottles of Constitution Life Syrup, will correct the secretion and remove the deposit which is directly under the skin.

In the diseases of the Liver, giving rise to Languor, Disniness, Indigestion, Weak Stomach or an ulcerated or cancerous condition of that organ, accompanied with burning or other unpleasant symtoms, will be relieved by the use of Constitution Life Syrup.

A RE not only unequalled, but they are absolutely unequalled, by any other Reed Instrument in the country. Designed expressly for Churches and Schools, they are found to be equally well adapted to the parlor and drawing room. For sale only by E.M. BRUCE,

No. 18 North Seventh street, Philadelphia.

statement for the benefit of the afflicted.

Dear Sirs:—flaving realized in my family important benefits from the use of your valuable preparation—Wistar's Balsam of Wild Cherry—it afford me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have, in my individual case made frequent use of your valuable medicine, and have always been benefitted by it.

"Wistar's Balsam of Wild Cherry gives universal satisfaction. It seems to cure a Cough by loosening and cleansing the lungs, and allaying irritation, thus removing the cause, instead of drying up the cough and leaving the cause behind. I consider the Balsam as good as any, if not the best Cough medicine with which I am acquainted."

From Hon. Judge SPRAKER, of Canajoharie, N. Y. Gentlemen.—This is to certify that myself and family have used Dr. Wistar's Balsam of Wild Chery, for several years, and that I take great pleasure in recommending it in preference to anything of the kind for the purposee for which it is intended. In cases of Asthma, Phthisic, or affections of the Throat, I have never met with anything equal to it.

Very respectfully,

DAVID SPRAKER.
