Da Schungs—Dear Sit :—About two years ago I was taken with a very trombles one cough and a pain in my breast; seven or eight months passed sway without my doing anything for dryself. Then I applied to a physician, who attended me for about three months without rendering me any service. I also obtained the advice and treatment of a physicians, but all to no purpose. During this long space of time I was nearly dout; several times my friends some to see and witness my exit to the spirit-world. I was emined to my left two months at one time. My breathing was exceedingly short, I gage up several times all hope of ceiting bester; and as regarded cetting well, that was countely out of the question. And to think this day I am well had hearty? I was not itself by some of my tirends to try Dr. Schungs a Medicines. I necoratingly should be the after bottle, until I reached the minth. Then I bund a decided change at my cough for the better. I canford severely from palpitation of the heart, and two weeks after I commenced taking your medicine this difficulty cessed.

When I first went to Dr. Schenek's office it was with difficulty that I could get up into his trought on the my weeks after I commenced taking your medicine this difficulty cessed.

When I first went to Dr. Schenek's office it was with difficulty that I could get up into his trought my hangs were affended, and gave me but little hope; but his medicines, in about two weeks, took right hold of me; it seemed to go right through my whole system. The Pulmonic Syrup, Sen-When Tonic and Manthake Pilla, all took right hold in the right place. The Pills brought away great quantities of bile and stime; the Syrup loosened the matter in my langs, which come of very free; the Sen-Weed Tonic gave me an appetite, and everything seemed to take good.

To show what great power the medicines have in purifying my system, and to show how bud I was diseased, beside all the bile that passed my bowels, and the great quantities of philegra and matter I expectanated. I broke out all over in large buils, that would continue to gather and run for about six weeks, and I had at one time over twenty-five boils. I have withing of the kind now, and feel like another person altogether. I can safely say that I have not enjoy ed such health for five years as I do now, and commot praise you and your medicines enough. I. N. DeBARRY Gen. Supt. comes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection that the happiness of another becomes bighted

When the misguided and imprudent votary of pleasure finds that he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, such as ulcerated sore throat, diseased nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nodes on the shin bones and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commiscration, till death puts a period to his dreadful sufferings, by sending bim to "that Undiscovered Country from whence no traveller returns."

It is a medancholy fact that thousands fall victims to this terrible disease, owing to the unskillfulness of ignorant pretenders, who, by the use of that Deadly Poison, Mercury, ruin the constitution and make the residue of life miscrable.

Ayer's Sarsaparilla

A compound remedy, designed to be the most effectual Alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:

Schorula and Schorulous Complaints, Exertions and Kauptive Diseases, Ulcons, ESTABLISHED AS A REFUGE FROM QUACK-ERY. THE ONLY PLACE WHERE A CURE

ERUPTIONS AND RECUTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AP-FECTIONS, MERCURIAL DISBASE, DROPSY, NEU-RALGIA OR TIC DOULOUREUX, DEBILITY, DYS-PEPSIA AND INDIGESTION, BRYSIPELAS, ROSE on St. Anthony's Firm, and indeed the whole class of complaints arising from IMPERITY OF THE BLOOD.

class of complaints arising from INPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which foster in the blood at that season of the year. By the time-ly expulsion of them many rankting disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul cruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, cruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the

reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla.

of these have been frauds upon the sick, for
they not only contain little, if any, Sarsaparilla, but often no curative properties whatevcr. Hence, hitter and painful disappointment
has followed the use of the various extracts of
Sarsaparilla which flood the market, until the
name itself is justly despised, and has become
synonymous with imposition and cheat. Still
we call this compound Sarsaparilla, and intend
to supply such a remedy as shall rescue the

Ayer's Cherry Pectoral has wen for itself such a renown for the cure of every variety of Threat and Lang Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.

PERUVIAN

SYRUP

IS A PROTECTED SOLUTION OF THE

Protoxide of Iron,

a new discovery in medicine which STRIKES AT THE ROOT OF DISEASE, by supplying the Blood with its vital PRINCIPLE, OR LIFE ELEMENT—IRON. This is the secret of the wonderful success of this remedy in curing

Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhosa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a

BAD STATE OF THE BLOOD or accompanied by DERILITY or a LOW STATE OF THE SYSTEM.

Being free from Alcohol in any form, its energi-sing effects are not followed by corresponding reac-tion, but are permanent, infusing STRENGTH, VIGOR and NEW LIFE into all parts of the system, and build-ing up an IRON CONSTITUTION.

DYSPEPSIA AND DEBILITY.

From the Venerable Archdeacon SCOTT, D. D. DUNBAM, Canada East, March 24, 1865. DUNIAM, Canada East, March 24, 1865.

"I am an inveterate Dyspeptic of more than 25 years standing."

"I have been so wonderfully benefitted in the three short weeks during which I have used the Peruvian Syrup, that I can searcely persuade myself of the reality. People who have known me are astonished at the change. I am widely known, and can but recommend to others that which has done so much for me

One of the most Distinguished Jurists in New England Writes to a Friend as

"I have tried the PERUVIAN SYREP, and the "I have tried the PERCUVIAN SYRUP, and the result fully austains your prediction. It has made a new man of me; infused into my system new vigor and energy; I am no longer tremulous and debilita-ted, as when you last saw me, but stronger, heartier, and with larger capacity for labor, mental and physical, than at any time during the last five years."

An Eminent Divine of Boston, says. "I have been using the PERUVIAN SYRUP for some time past; it gives me NEW VIGOR, BUOYANCY OF SPIRITS, ELASTICTY OF MUSCLE."

Thousands have been changed by the use of this remedy; from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial. A pamphlet of 32 pages, containing certificates of cures and recommendations from some of the most eminent physician, clergymen, and others, will be sent free to any address.
