Suppen Death .- Robert Brooks, whose amily reside in this place, and who has lately been employed in the coal region, was arrested at Mt. Carmel, on Wednesday last, for breaking into a estaurant. The constable took him in charge and put him on the regular passenger train on the Shamokin Valley Railroad, intending to put him in jail at this place. When the train stopped the conductor, supposing him asleep, shook him, when he found that life was extinct. Various rumors are in supplying their tables with vension shot by them- affoat as to the cause of his death, but it is supposed that it resulted from apoplexy.

THE LADY'S FRIEND, FOR JANUARY .- The Stee Plates in the January number of this Queen of the Magazines, are uncommonly beautiful. We seldom see a finer picture than "At Sea," and "Werter's Charlotte" looks lovely enough to justify the passionate admiration that all the world has heard of The large double Fashion Plate exhibits that elegance and brilliancy which is its established characgance and brilliancy which is its established characteristic in this magazine; a stylish skating costume will attract attention. ## BUSINESS NOTICES.

HERE IS A BUSINESS NOTICE worth reading, and it concerns every person, both rich and poor, large and small, those with big feet and those with small ones. All have an opportunity of getting themselves shod with the very best of floots and Shoes, at about one-half for what they have to pay for them, new-a-days, in any store. You will have this op portunity only for a few nights, as W. W. His goods are all new and fashionable, has no unsaleable ones on hand. Now is the time you all need to be well shod ; if you desire to be for a small sum of money then attend the sale on this (Friday) and Saturday evenings, January 4th and 5th. The ladies are respectfully invited to attend Those who cannot attend in the evening will have an opportunity to buy at private sale, through the

THE GENERAL VERDICY .-- The general verdict suits of all grades, made at the popular tailoring tablishment of Jacob O. friend, "why did you betray the secret that was told you!" "Is it betraying you call it! Sure when I found I wasn't able to keep it myself, didn't I do well to tell it to somebody that could?" Some things should not be kept secret, one of them is that J. E. Smick is manufacturing and selling clothing very fast and very cheap, at his tailoring establishment on 4th street, Sunbury.

A THRIFTY YOUNG MAN married a rosy young Irish girl, quite to the horror of his mother and sisters, but gave this piece of logic as the reason:
"If I marry an American girl, I must hire an Irish girl to take care of her, and I can't afford to support both." Just so, if a man buys the cloth for his clothes, he has to take it to a tailor to make into a suit for him. How much more sensible it is to go at once to a ready-made clothing house, like the Continental Clothing Basnar, Market street, and get yeur clothes already made, which will fit any one who may desire the article.

SPECIMENS.-The beautiful specimens of the photographic art, on exhibition in Simpson's building, Market Square, Sunbury, tell the passers by, in unmistakable language, that S. Byerly is a first-class artist. Call up and get a life-like picture.

THE PRICE OF LIBERTY.-Patrick Henry truthfully observed that "Eternal Vigilance is the price of Liberty;" he might as truthfully have said that to become wealthy is to practice economy by pur-chasing your boots and shoes at Wm. H. Miller's Excelsior Boot & Shoe Store, Market Square, Sunbury. Money will be saved by buying of him, as he has the chespest and best in market. Call and see

No WONDER!-No more blasphemy-no more stealing-no more murder-no more treason-no more standing upon the street corners uttering maledictions against the defrauder No wonder that this is so, when we take into account that the masses of the people are supplying themselves with boots and shoes from the handsome assortment just received at Harry Thacher's, in the old Boulton stand, Market street. Harry is constantly receiving large invoices from the cities, and is thus enabled to compete with Philadelphia or New York prices. There certainly is no need of sending to the cities for a fashionable and cheap boot or shoe, when they can be had at his store. Everybody, particularly the ladies, should call and see the elegant stock just opened by him. He charges nothing for showing goods. Call and examine.

Cone of the principal features of to-day's show was the American Cow-Milker exhibited by A. C. M. M. Co. Three cows were milked to our entire satisfaction, standing perfectly quiet, although milked for the first time with the machine. The Cow-Milker gives sure indications of a complete success, and deserves to acquire by its merits as popular a reputation, as the Sewing Machine or Reaper. We give this as a special award and diploma.

CF SAMBURG PORT WINE .- The Samburg grapo of Portugal is now enlitvated in this country for the preparation of a wine unexpelled by the vintages of the choicest port, to which it strongly assimilates in its mellow juiciness, richness of flavor and brilliancy of color. The fruit has been brought to a perfection never attained in Portugal, by Mr. A. Speer, in his vinepard, New Jersey. Physicians say it is superior to port for invalids. Clergymen use it for its purity as a communion wine, while the most fashionable families drink it as a dinner wine .- [ N. Y.

Schenck's Seaweed Tonic. This medicine, invented by Dr. J. H. SCHERCK, of Philadelphia, is intended to dissolve the food and make it into chyme, the first process of digestion.— By cleansing the stomach with Schenck's Mandrake Pills, the Tonic soon restores the appetite, and food that could not be eaten before using it, will be

easily digested.

Consumption cannot be cured by Scherck's Pulmonic Syrup unless the stomach and liver is made healthy and the appetite restored; hence the Tonic and Pills are required in nearly every case of consumption. A half-dozen bottles of the SEAWEED TONIC and three or four boxes of the MANDRAKE PILLS will cure any ordinary case of dyspepsis.

Dr. Schenck makes professional visits in New York, Boston, and at his principal Office in Philadelphia, every week. See daily papers of each place, or his pamphlet on consumption, for his days for visitation. THE AMERICAN JEWELERS' ASSOCIATION THE AMERICAN JEWELERS' ASSOCIATION calls your attention to the fact of its being the largest and most popular Jewelry Association in the United States. The business is and always has been conducted in the meet candid and honorable manner. Our rapidly increasing trade is a sure guarantee of the appreciation of our patrons for this method of obtaining rich, elegant and costly goods. We have lately purchased very largely of these Bankrupt Goods, at such extremely low prices, that we can afford to send sway Finer Goods and give better chances to draw the most valuable prizes than any other catablishment doing Goods and give better chances to draw the most valuable prizes than any other establishment doing a similar business.
