

After more than twelve years of constant use, this highly concentrated manure has attained a wide-spread reputation as a SUBSTITUTE FOR PERUVIAN GUANO, Being found active in its operation, and of great durability. It does not exhaust the soil, but on the contrary, permanently improves it. The increasing sales annually, abundantly prove the high popular value of this manure, and establish the fact of its being relied upon by a wide circle of agriculturists to supply all wants in the direction of manures for every crop.

Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence or waked to cestaty the living lyre, may call with full confidence. MARRIAGE.

Married Persons, or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., speedily cured.

ORGANIC WEARNESS
Immediately Cured, and Full Vigor Restored.
This Distressing Affection—which renders Life miserable and marriage impossible—is the penalty paid by the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent? Besides being deprived the pleasures of healthy offspring, the most serious and destructive symptoms to both body and mind arise. Member of the Royal College of Surgeons. London, Graduate from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

Dr. J. addresses all those who have injured them, selves by improper indulgence and solitary habits, which ruin both body and mind, unfitting them for either business, study, society or marriage.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of he Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsy, Nervous Irritability, Dersangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

MENTALLY.—The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil-Forebodings, Aversion to Society, Sell-Distrust, Love of Solitude, Timidity, &c. are some of the evils produced.

Thousands of persons of all ages can now judge what is the cause of their declining health, losing tueir vigor, becoming weak, pale, nervous and e maciated, having a singular appearance about the eyes, cough and symptons of consumption. TAKE PARTICULAR NOTICE.

Who have injured themselves by a certain practice indulged in when alone, a habit frequently learned from evil companions, or at school, the effects of which are nightly felt, even when asleep, and if no cured renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons MUST, before contemplating

DYSPEPSIA AND DEBILITY.

From the Venerable Archdeacon SCOTT, D. D. DUNBAM, Canada East, March 24, 1865. DUNDAM, Canada East, March 24, 1865.

\* "I am an inveterate Dyspeptic of more than 25 years standing."

"I have been so wonderfully benefitted in the three short weeks during which I have used the Peruvian Syrup, that I can scarcely persuade myself of the reality. People who have known me are astonished at the change. I am widely known, and can but recommend to others that which have done so much for me " \* \* \*

One of the most Distinguished Jurists in

New England Writes to a Friend as follower "I have tried the PERUVIAN SYRUP, and the result fully sustains your prediction. It has made a new man of me; infused into my system new vigor and energy; I am no longer tremulous and debilitated, as when you last saw me, but stronger, heartier, and with larger capacity for labor, mental and physical, than at any time during the last five years."

An Eminent Divine of Boston, says: "I have been using the PERUVIAN SYRUP for some time past; it gives me NEW YIGOR, BUOYANCY OF SPIRITS, ELASTICTY OF MUSCLE."

Thousands have been changed by the use of this remedy; from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably heritate to give it a trial. A pamphlet of 32 pages, containing certificates of cures and recommendations from some of the most eminent physician, clergymen, and others, will be sent free to any address.
