**AYER'S SARSAPARILLA**  
A compound remedy, designed to be the most effectual, and that can be made. It is a concentrated extract of Para Sarsaparilla combined with other substances of still greater alterative power as to afford an effective antidote for the disease Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of afflicted individuals. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:

**SCURF AND SCROFULOUS COMPLAINTS,** Eruptions and Ruptures of the Face, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALIVARY SCALD HEAD, SPHACULI and SPYRITIC AFFECTIONS, MERCURIAL DYSPEPSIA, NERVOUS, GALICIA on THE DIOXIDUREZ, DEBILITY, DYSPYPSIA AND INDIGESTION, ERYTHROPEL, ROSE on ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY of the Blood.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year; to timely expulsion of these many running disorders are nipped in the bud. Multitudes can be cured of this disease, save themselves from the endurance of foul eruptions and ulcersous sores, through which the system will derive its relief of corruption, if not assisted to do so through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions or sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when.

Even where no particular disorder exists, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this purgation of life disorders, there can be no lasting health. Sooner or later something must be done to cleanse the machinery of life in a disorder or overthrown.

Sarsaparilla, has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, prepared by cheap methods, but alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been sold under the name of Sarsaparilla, but they do not contain the same, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which better health, and live longer, for cleansing the blood.

**Ayer's Cherry Pectoral**

has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely sufficient to recommend it, for its efficacy in the treatment of all these affections, is so well known, that its name itself is justly despised, and has become synonymous with imposture and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the ignominy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure this complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.
