THE HOWE MACHINE CO'S SEWING MACHINES,

For Families and Manufacturers,

THE HOWE LOCK STITCH

These World-Renowned Sewing Machines, were These World-Renowned Sewing Machines, were awarded the highest premium at the World's Fair in London, and six first premiums at the New York State Fair of 1860, and are celebrated for doing the best work, using a much smaller needle for the same thread than any other machine, and by the introduction of the most approved machinery, we are now able to supply the very best machines in the world. These machines are made at our new and spacious Factory at Bridgeport. Conn., under the immediate supervision of the President of the Company, ELIAB Howe, Jr., the original inventor of the Sewing Ma-

chine.

They are adapted to all kinds of Family Sewing, and to use of Seamstresses. Dress Makers. Taylors, Manufacturers of Shirts. Collars, Skirts, Cloaks, Mantillas, Clothing, Hats, Caps, Corsess, Boots, Shoes, Harness, Saddles, Linen Geods, Umbrellas, Parasols, etc. They work equally well upon silk, linen, woolen and cotton goods with silk, cotton or linen thread. They will seam, quilt, gather, hem, fell, cord, braid, bind, and perform every species of sewing, making a beautiful and perfect stitch, alike on both sides of the articles sewed.

the articles sewed.

The Stitch invented by Mr. HOWE, and made on this Machine, is the most popular and all Sewing Machines are subject to the principle invented by SEND FOR CIRCULAR. The Howe Machine Company. 699 Broadway, Cor. Fourth St., N. Y. April 6, 1867.—
