Lyon's Periodical Drops, THE GREAT PEMALE REMEDIES FOR IRRE GULARITIES!

I have tested these Drops in any own place, over ten years, and do not hesitate to say, that nothing has yet been developed by medical research, that acts so powerfully, positively, and harmlessly, in cases of female irregularity, as does this medicine. In all recent cases it never fails, while thousands who have been long sufferers, are indebted to it for the boan of health to day.

Although so powerful and positive, they are perfectly harmless, and may be used at all times, except when specially forhedden in the directions

barmless, and may be used at all times, except when specially forbidden in the directions.

They have been extensively employed by eminent physicians in France and England, as well as in my own practace, over ten years, and I have yet to hear of the first instance of failure. I could give you testimonials of their efficient from ladies all over the northern and western States, were they not in their nature private. Over 100,000 bottles have been sold the past year, and I hope and trust as many sufferers have been benefitted. I am well aware that a remedy so potent to remove all obstructions, may be used for a ted purpose, but trust that where one bottle is thus used, ten may fall into the hands of really needy sufferers.

To all who suffer from any arregularity; painful, difficult, excessive, offensive or obstructed Menstruction, Lacorrices, or the train of discusses that follow, I would my, try a bottle of Dr. Lyon's French Periodical Drops. Being a fluid preparation, their action is more direct and positive than any oills or powders. Explicit directions, hearing my facsimile, accompany each bettle.

They may be obtained of nearly every druggest in the country, or by inclusing the price to C. G. C. LARK & CO. New Haven, Ct., General Agents for the United States and Canada.
