SUNBURY, PA.

SATURDAY, APRIL 20, 1867.

A REQUEST TO SUBSCRIBERS Subscribers to the AMERICAN are particularly requotied not to allow their indebtedness to overrun one year. All subscriptions should be paid in advance ; but under no consideration should the year pass around with the subscription unpaid. A strict attention to this will save us an immense amount of trouble and a very heavy loss.

Local Affairs.

WE have been requested to state that Rev. S. W. Reigart, pastor of the Presbyterian Church, will repeat his sermon on "Temperance," on next Sabbath evening, in the Presbyterian Church.

The hot weather will soon be upon us. Our citizens should at once menare for it by cleaning their premises, the gutters and alleys, and having every particle of filth hauled away, beyond the borough limits. Premises should not only be cleaned, but they should be kept clean.

A LARGE LOON was shot in the basin, below the Shamokin Valley Railroad, by our friend Alex. Boyd, on Thursday morning last. It measured four feet from the tips of its wings. It is seldom that fowls of this species are seen in this neighborhood.

THE vacant lot on Arch street, belonging to the estate of the late Miss Clarinda Grant, was sold on Saturday last to Thomas D. Grant, Esq., for \$2,990. This is a very high figure for a lot outside of Market street. Miss Grant, it will be remembered, bequeathed her estate to the Presbyterian Board of Foreign Missions.

-----THE STREET CROSSINGS .- We are pleased to see that the borough authorities are preparing to pave the street crossings-a very necessary improvement, as the late muddy ways fully demonstrated to the entire satisfaction of many unfortunate pedestrians. We hope they will be properly laid, not as mere stepping stones, but as a connecting link of pavements.

FOR THE LADIES .- Miss M. L. Gussler has just received an elegant assortment of Spring and Summer Millinery Goods at her store on Fourth street, below the Shamokin Valley Railroad. The ladies should not fail to call and see the latest styles, and make their selections.

NEW MARBLE YARD .- Mr. A. H Rush has recently opened a murble yard on Third street, North of the depot, in this place, and is prepared to furnish monuments, tombstones, As., at the lowest rates, Mr. Rush has had considerable experience in some of the city establishments, and has the reputation of being an excellent workman. See advertisement.

CELEBRATION -We learn that the Odd Fellows of this place intend celebrating their Thanksgiving day, on Friday next, 26th inst., in accordance with the proclamation of the M. W. Grand Sire. A sermon will be delivered on the occasion, in the Lutheran church, by Rev. W. C. Cremer, of the Reformed church.

SALE OF REAL ESTATE IN MILTON .- Mr. A. W. Rhawn has sold his property in Milton, known as Fisher's saloon, to Mr. Henry Huth, for the sum of \$3,400

Mong Nuw Goobs .- Mr. J. H. Engel has just received a large stock of Spring and Summer Goods. which the public are invited to call and examine. His prices are very low and he is determined to sell at a small profit. Read his advertisement.

THE COURT HOUSE YARD -- We observe that the Court House yard has been handsomely graded, and that evergreens and other ornamental trees have been planted in the yard, which will greatly improve the appearance of that handsome edifice. At the entrance on Second street, on each side of the

ADVERTISE .- Dull times are the very best for advertisors. What little is going on, they get; while others are grambling, they pay their way, and with a newspaper for a life-preserver, swim on the top of the water, while others around are sinking .-Merchants and others will find the AMERICAN the best medium through which to advertise their goods.

Ronseny .-- On Tuesday night of last week the

U. S. LICENSES .- All U. S. licenses expire on the first of May. Persons doing business and designing its continuance, should not neglect to call at once upon the Assistant Assessor and sign their named is from \$10 to \$500.

----LADIES' NEW SHOE STORE .- We call attention to any produced by the best operators in our large the advertisement of Mr. J. H. Jeffries, who has citics. opened a new Shoe Store, near Gearbeart's Confec-

discourse. It was obaracteristic of its autior, the subject being the authority of the personal character of Jesus, and it endeswored to present a common ground for these differences which are known to prevail in the Unitarian denomination.

On Thursday morning a prayer and confurence meeting was held. Reports, on the whole favorable, were made from the various churches and missionary stations in the conference. The question whether missionary work should be carried on under strictly Unitarian auspices, or in conjunction with the Universalist and other liberal christian denominations, excited an interesting discussion. It seemed to us that the majority of the conference favored the latter mode. In

the evening a sermon was preached by Rev Mr. Newell, of Germantown. After a vote of thanks to the people of Northumberland for their hospitality, the Conference adfourned to meet with the church in Baltimore on

the second Wednesday of October next. BUSINESS NOTICES. "SETTLED AT LAST."-Not the tariff or currency

puestion, but the weather and the price of the suits of Spring Clothing made at Smick's, Fourth street, Sunbury. The former, beautiful and bright-the latter, beautiful and cheap.

Fon a Man to say that he can never change his opinion is either to imply that he is too obstinate to be taught by experience, or that he claims infalli-bility. It is but necessary to visit Harry Thacher's Boot & Shoe Store, in Pleasants' building, Market street, to convince the most obdurate person that he keeps the cheapest and best stock in Sunbury. ----

THE CONTINENTAL AHEAD !- The enterprising proprietor of the Continental Clothing Bazaar, Market Square, has introduced a new feature in that establishment in the way of a manufacturing do-

partment, by which he is enabled to make to order the very latest styles of men's and boys' clothing .-He has engaged the services of one of the most experienced cutters, and patrons can rely on being well "suited." Call at the Bagaar and see the huge learn the prices.

The man who "don't take the papers," but who the fact that Jacob O. Beck, at his establishment on Fourth street, makes the cheapest and best fitting Spring suits that can be had in Sunbary.

A MISTAKE -A colemporary, in a late issue, says "there is a man in our town who is too lazy to catch a cold." The man has since been heard from and

informs the editor that he succeeded in catching a bad cold-probably on account of not having one of the durable suits of clothing which are made to order at J. F. Shaeffer's, N. W. corner of Third and Marnet streets, Sanbury.

SUDIA PRESPHATE .- We are pleased to learn that the new Super Phosphate of Lime manufactory, recently crected east of the borough by Mesars. Torrington & Hudgkins, of this place, is being well patronized by agriculturists not only in this vicinity, but from different parts of the country. They have lately shipped by railroad soveral large orders, while the local demand has become quite extensive. This celebrated phosphate is used by the most experienced agriculturists as the standard fertilizer, and is generally acknowledged to be the most permanent improver of all kinds of soil. We are glad that this enterprise is meeting with the success which it de-

handed over to Deputy Sheriff Hoffman.

But our cotemporary is mistaken in saying that Mr. Shipman is a graduate of the Miltonian, as that gentleman learned the printing business in the AMERICAN office, and was afterwards employed on the Miltonian. We copy the article, as follows :--- 'Jacob Shipman, Esq., is one of the number who threw down the "rule and shooting stick," and is now working his way up to be one of the prominent business men of Sunbury. He occuples the responsible position at that place of Ticket Agent for both the Philadelphia & Erie and the Northern Central Railroads. He proves himself an active, faithful and gentlemanly officer, and has the confidence of both companies. In addition to the above he is the pioneer in this visibity of 'establishing a local agency in the Life Insurance business, having been for a number of years agent for some of the leading companies in the country
