Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence or waked to ecstaty the living lyre, may call with full confidence. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent? When the misguided and imprudent votary of pleasure finds that he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, such as ulcerated sore throat, diseased nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nodes on the shin bones and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commiscration, till death puts a period to his dreadful sufferings, by sending him to "that Undiscovered Country from whence no traveller returns."

It is a mclancholy fact that thousands fall victims to this terrible disease, owing to the unskillfulness of ignorant pretenders, who, by the use of that Deadty Passon, Mercury, ruin the constitution and make the residue of life miscrable.

Reparator Capilli.

Destructive of comfort, and not worth u bg; Come aged, come youthful, come ugly and fair,

And rejoice in your own luxuriant hair.

Reparator Capilli,

For restoring hair upon bald heads (from whatever cause it may have fallen out) and forcing a growth of hoir upon the tace; it has us equal. It will force the heard to grow apon the smoothest face in from five to eight weeks, or hair upon bald heads in from two to lirge months. A few ignorant practitioners have asserted that there is nothing that will force or husten the growth of the hair or heard, Their assertions are false, as thousands of tiving witnesses (from their own experience) can bear witness. But many will say, how are we to distinguish the gename from the epitrions? It certainly is difficult, as nime-tenths of the different Preparations advertised for the hair and heard are entirely worthless, and you may have already thrown away large amounts in their purchase. To such we would say, try the Reparator. Cappilli; it will cost you nothing unless it fully comes up to our representation a. If your Druggist does not keep it, send us one dollar and we will forward it, postpaid, together with a receipt for the money, which will be returned you on application, providing entire satisfaction is not given.
