During the war she had her refreshment calcons where thousands were fed while on their way to the "front." and now, in order that the good work may be continued, it is proposed to provide for the Orphane of many of those brave herees who fell in defence of the stars and stripes. For this purpose the Washington Library Company, of Philadelphia, was organized in aid of the Riverside Institute of New Jursey. Here the Orphans of Soldiers and Sailors in all parts of the country will be gratuitously educated and made useful members of society. The just and honorable plan adopted for raising the necessary funds for this charitable object has received the endorsement of every one. N. F. Consumption cannot be cured by Scherck's Pulmonic Syrup unless the stomach and liver is made healthy and the appetite restored; hence the Tonic and Pills are required in nearly every case of consumption.
