THE GREAT ZINGARI BITTERS

The component parts of this remarkable preparation were first discovered, compounded and distributed, some twenty years ago, by Dr. Chroraus, the celebrated Egyptian Physician. Remarkable cures of the above diseases have been effected by its use, as numerous certificates, many from regular physicians, fully attest; and it is destined to supersede any preparation extant. As an agreeable Tonic, and an Tonic, and an INVIGORATING BEVERAGE, NO EQUAL.

A FEW WORDS TO LADIES.—The use of the ZINGARI BITTERS will give to you that soft, semi-transparent complexion which the Ged of nature (designing woman to be the lovellest of his works) fully intended that you should have—for it is nature's own powder and paint combined. By purifying the blood, atimulating the pigmentary cells of the dermis, and imparting health and life throughout the entire system, it especially gives that smooth clearness and beauty to the complexion so much to be desired—removing all roughness, blotches, freckles, pimples, and that yellow, sickly look so common in our day; and what is even better than this, it cures every species of female irregularities and disease.
