LEADS VIEW OF PICTURES.—Professor Ledy will deliver a lecture on the above subject, on Tuesday evening, November 12th, commencing at 8 o'clock, at the Masonic Hall. Admission 25 cents.

THE COURT BUILDING.—The stone work of the county bridges at Shamokin and at the Gap, have been completed. The timber for the latter bridge is nearly ready, and will be put up in a few days.

THE SHAMOKIN WORKINGMEN'S CO-OPERATIVE ASSOCIATION held a meeting at that place, on the 29th ult., at which By-Laws for the government of the Association were adopted. The officers were elected on Saturday evening, 24 inst.

W. A. BERRY has completed the improvements in his popular Drug Store, on Market street, which is now one of the best arranged establishments in this part of the county. He has also received a large stock of fresh drugs.

Ten crops of apples in the States of New York, Ohio and Michigan, are very large and excellent. A number of our local have been resorted to this place, each carrying about 150 barrels. Prices range from \$3 to \$4 per barrel.

COBLESTONE LAYING.—Centre alley, between Market and Chestnut streets, which has become quite a thoroughfare, is now being paved with cobblestones, with the gutter in the center. It is an experiment, and we trust a successful one.

COURT.—The first week of the November term of court, which was set apart for criminal business, adjourned on Wednesday last for want of business. A full report of the proceedings appears in another column.

Ten paving of the sidewalk and gutter in front of the Bank lot, on Market street, is an improvement in the right direction, and we trust the borough fathers will examine it with a view of adopting the only plan that will prove efficient and permanent in draining as well as paving the street.

A CONCERT AND FESTIVAL will be given by the Good Templars of Watonsburg, on Thursday evening of next week. The festival will commence immediately after the concert. The public are invited to be present. A rich musical treat may be expected. Admission to Concert and Festival, 25 cents.

REV. F. J. JONES was installed pastor of the Lutheran Brotherhood Church, on Tuesday evening, 28th ult. The sermon was preached by Rev. J. M. Carnahan, of Danville. Addresses were delivered on the occasion by Rev. I. Grier, of Millburg, and Rev. A. D. Haines, of Newberry, formerly of Shamokin.

HEAVY SHIPMENTS OF COAL.—We understand that Messrs. John Haas & Co., of this place, shipped, during the past month, eleven thousand tons of coal from the Cameron Colliery, near Shamokin. This is the lowest shipment ever made from any colliery in the region, and speaks well, not only for the coal, but the energy and enterprise of the operators.

MAN KILLED.—A man named David Burns was killed on the morning of the 4th inst., at Northumberland, on Monday morning last. He was working on the track in the direction of the approaching mail train south, and was thrown a considerable distance and almost instantly killed. He was about twenty-eight years of age, and leaves a wife and child.

THE NEW PUBLISHED HOUSE BUILDING opposite the Jail, is under roof. The architectural style of the building is similar to the other two, finished last year. The brick work may be as durable as any other, but its appearance will nevertheless add much to the reputation of the building committee, if there was any, for good taste.

TAXES.—The high price of beef is gradually declining. The scarcity of cattle, caused by the war, is partially made up, and both beef and pork must settle down to a standard. It is expected that the war will result in a 10 per cent. for currency prices. At this rate beef would range from 12 to 14 cents at retail prices.

ROLLING MILL.—The unfinished building designed for a Rolling Mill, at Shamokin, several years ago, was sold at public sale on Monday last, to Thos. Baumgardner, of Lancaster. Mr. Baumgardner is largely interested in the Shamokin coal region, and in his hands the building will, no doubt, be put to some useful purpose.

WE LATELY SAW, at the Foundry of Mr. J. Youngman, on Arch street, in this place, cooking stoves, which, in point of beauty, would compare with any cast in the State. This establishment is turning out the finest kind of castings, of every variety, and the enterprising proprietor deserves encouragement from the citizens of the town and vicinity.

THE ODD FELLOWS' celebration at Georgetown, today, (Saturday) promises to be an extensive affair. The different Lodges in the vicinity are expected to be present in large numbers. Fort Aquia Encampment, Sunbury Lodge No. 233, and Northumberland Lodge No. 196, will have a full turnout. Good speakers will be present to address the order.

NEW FURNACE.—Another new furnace is being built in Danville by Messrs. Hancock & Crivello. It is located on the face of a knoll, nearly opposite the Rough and Ready Rolling Mills, and as it is in the immediate vicinity of the coal and railroad every facility for transportation is afforded. The furnace will be a neat and compact structure of iron, and more durable than the old style of furnaces.

LAGER BEER WAGON.—We observed, a few days since, that our friend, Joseph Baecher, of this place, has procured a new wagon to deliver lager beer to his customers. It was made by Mr. Neopham, is of the most modern style, and makes a handsome appearance. Mr. Baecher, we are pleased to learn, is doing an excellent business. His ale and beer is generally acknowledged the best in the market.

Maser, Stewart Bergstromer and Jacob Shipman, are requested to meet, without further notice, at the office of Joe Clement, on this (Friday) evening, November 8th, for the purpose for which they were appointed. It is hoped that all will attend, inasmuch as the Association is ready to go into operation as soon as an organization is effected.

It was further ordered that the regular time for holding the annual borough election be in the spring of the year. The election was held in the Academy building. Com. vs. George Amulder. SPECIAL NOTICES. The most reliable but what Geo's Dyspeptic Cure excels all remedies ever discovered for the cure of Dyspepsia, Indigestion, Pain after Eating, Cramps, Colic, and distress in either stomach or bowels. The people all speak in the most flattering terms of its merits.

HOLDS. Like the volcano, Bolls give issue to the foul and fiery contents of the deep interior. To remove the cause of such suffering it is only necessary to vitalize the blood by supplying it with the life element, Iodine.

THE PERUVIAN SYRUP. (A protected solution of the Protobiont of Bolls) will do this effectually, and give strength, vigor and new life to the whole system.

EXTRACT OF A LETTER FROM REV. RICHARD S. BOLS, OF BOSTON, MASS. 'My dear friends, I was a sufferer from Bolls, so that my life became wretched through their frequent and persistent attacks. Finally I was cured by the use of the small of my Bolls. During its progress large pieces of decomposed flesh were every day or two cast away, and the condition of my system was so bad that I was unable to eat or drink. I was in a state of extreme weakness, and I had no hope of recovery. I was at this time that I commenced taking the PERUVIAN SYRUP. I continued taking it until I had recovered my health. Since then I have had nothing of the kind. For years I was one of the greatest sufferers. My medicines gave me partial and temporary relief, but this remarkable remedy, with a kind and intuitive sense, went directly to the root of the evil, and did away with it. I am now in the enjoyment of my usual health, and I can only say that I am indebted to the Bolls for my recovery.'
