This is not the first time Joe has been in the hands of the officers on the same charge, but heretofore no evidence has been found against him sufficient for conviction. We learn that one of the charges this time is an attempt on his

part to sell spurious money. - On Monday morning last a sad accident occurred to Bastian Divel, of this borough, while he was putting down a well on the place occupied by Mr. B. F. Jacoby, on Broadway, east of the railroad. Mr. Divel had sunk the well to the depth of some 20 feet, having blasted several times, when the gases at the bottom of the well became too foul for him and he was drawn up. After waiting for some time he thought he would try it once more, as he was anxious to proceed with his work. Being let down into the well he remained but a moment or two when he called out for those above to draw him up quickly. They proceeded to do so, he having entered the large bucket used for drawing out the stones, dirt, &c. When they had drawn him to within about ten feet of the surface he was apparently overcome by the foul air, and losing consciousness, fell from the bucket and plunged head downward to the bottom of the well. He was res-

curd from his perilous position as soon as possible. wounds. It was found that besides several severe bruises, a sharp stone had entered the back part of his head, penetrating the skull, making an ugly wound from which the brains were coving out. Dr. McCleery gave the wounded man every assistance in his power, and had him removed to his home, where he is now lying in a critical condition.

THE LATEST .- We notice another extensive arrival of Cloths, Cassimeres, Vestings, &c., at J. F. Shaeffer's Merchant Tailoring establishin nent, in Market Square. Now is the time to select a suit from his extensive variety, and have it made to or-der in the best manner. THE FIRST SNOW .- We have had the first snow of the season, and it was welcomed with all the zest that new things give us, but like most other things it loses its attractions when we get too much of it. The only new thing that we know of at present that has not lost its attractiveness is J. O. Beck's Merchant Tailoring establishment, on Fourth street, Sunbury. An inquest was held and a verdict of "accidental death" rendered, and cleared the employees of the company of any blame. Mr. Ditty was a highly esteemed citizen of Reed township, Dauphia county.

MR. JACON LEISENRING, the newly elected Register and Recorder, was sworn in and took possession of his office on Monday last. Mr. Leisenring is a and their name is an assurance of the integrity and practical and steady business man, and will, no doubt, make an obliging and attentive officer.

It is but just to say of Mr. Cummings, who retires from office that his administration of the office advertisement. over which he presided the last six years has met the approbation of the Court and Bar, as well as the community.

FINE IMPROVEMENT .- Measure, Rohrbach & Son have lately erected a substantial brick building as an addition to their Foundry, near the Shamokin Valley Railroad. This Foundry is one of the oldest establishments in the State, and has been successfully worked for a number of years by the Messrs. Rohrbach. Within the past few years their business has been greatly increased and they found it necessary to make more room to carry on their extended operations. They have completed this addition, and we are informed that in another year they intend making still further improvements in order to keep up with this progressive age.

CRIME.-We notice in nearly all the papers that robberies are committed all over the country, almost daily. Persons cannot be too cautious in securing their premises from the depredations of these scoundrels. There are, no doubt, several places of rendezvous for these scamps in this county, and all suspicious looking characters should be closely watched. Several robberies have lately been committed in our midst and attempts made to break into houses during the temporary absence of families from home. Too much care cannot be taken in properly fastening the doors and windows of a house when leaving it at night.

MASONIC .- At a regular meeting of Northumberland H. R. A. Chapter, No. 174, of Sunbury, held in their Hall on Wednesday night last, the following

officers were elected to serve for the ensuing Masonic year : Jno. Kay Clement, H. P. Harvey Goodrich, K. William F. Wagenseller, S Henry Clement, Secretary. John Haas, Treasurer. We congratulate the fraternity on the flourishing condition of the Chapter, which, through the energy, seal and perseverance of its officers and members, bids fair to become one of the most prosperous

Lodges in the State.

GENERAL TON THUMB AND FAMILY .- The cele brated Tom Thumb and wife, Commodore Nutt and Miss Minnie Warren, will give two entertainments at the Masonie Hall, in this place, on Saturday afternoon and evening, December 21st. This wonderful family of little folks will appear in songs, duetts, dances, comic delineations, amusing tricks, burlesques, and comodies in characteristic costumes .--They have lately returned from an extended visit to Europe, where they appeared before nearly all the Kings, Queens, Emperors and Nobility of the old world, and have received very flattering notices from the foreign pross, especially the English papers They will undoubtedly have a full house when they vidt Sunbury.
