DONATION .- On New Year's eve the Rev. W. C. Cremer, pastor of the German Reformed Church, plead guilty, and the usual sontance was passed. of this place, was the recipient of a donation visit; from the members of his congregation. About \$60 and sentenced to pay a fine of \$1, restore property in money was presented, besides other presents to stolen to true owner, if not already restored, or pay the amount of about \$100. These donation parties full value thereof, costs of prosecution, and undergo are, no doubt, very gratifying to our elegymen, as an imprisonment at labor in the Eastern Penitonit shows an appreciation of their services on the tiary for a period of six calendar months, after expart of the members of their congregations.

ELECTION OF OFFICENS .--- A President, Treasurer and eight Managers of the Milton Bridge Company will be elected on the 14th inst., to conduct the business of the company for the ensuing year

The election of Directors of the First National Bank of Milton will take place on the same day. Directors of the Milton National Bank will also be chosen on the 14th inst.

BROGARS .- Within a week or two our borough has been visited by a number of suspicious looking individuals, who went begging from house to house. Some, we understand, were able-bodied young men who were able to work, and were generally very impertinent when refused admittance into dwellings. We would advise our citizens not to harbor them, as the majority of them are, no doubt, rascals and thieves.

THE SUBBURY BUILDING AND LOAN ASSOCIA-TION .- At a regular monthly meeting held on Fri- a period of five years and two calendar months .day, 27th ult., the second sale of shares took place. Edward Rathvon was sentenced to undergo an im-The first share of \$200 was sold at a premium of \$85 ; 2d, \$80 ; 3d, \$88 ; 4th, \$89 ; 5th, \$99 ; 6th, \$97. Par value of each share, \$2.46.

Himes, rate and solitary confinement at labor in the Eastern "mmittee on subscriptions, and by paying \$2.46 Penitentiary for a period of four years and two calon each share subscribed between this and the 4th Friday in January inst.

A GENEROUS DONATION .- The pastor of the "resbyterian Church, of this piace, Rev. S. W. Reigart, was surprised on Thursday evening, 26th ult., by a donation visit from the members of his congre- of \$10 each, and jointly the costs of prosecution. gation. Among the testimonials of their kindness was a present in money amcunting to about a hundred dollars, while the value of the other presents probably amounted to a hundred and thirty more. The occasion was a very pleasant one to all present, and the reverend gentleman was no doubt highly

gratified by these ovidences of affection and esteem from his congregation. CRIME. - Almost every day we hear of some crimtoal offence committed in our community. Robberies are perpetrated, dwellings entered and ladies insulted and attacked on the streets. It is scarcely safe for a lady to appear on our streets in the evening without a protector. As these matters seem to be beyond the control of our officers, and no effort being made towards checking the operations of the scoundrels who infest our borough, we learn that a committee of active and resolute men are about taking the matter in hand, who will, no doubt, use some parties roughly before they get through with thom.

ANOTHER ROBERY .- On Monday night last the merchant tailoring establishment of J. E. Smick, | tor and defendant. on Fourth street, was entered by means of skeleton keys, and between three and four hundred dollars' worth of cloths, cassimeres, underclothing, &c., sto- manner and form as defendant stands indicted. The loss falls very Leavily upon Mr. Smick. This is the second time he has met with the same misfortune. As all the stock which he had accumulated has been taken he

BURGLARIES AND ROBBERIES .- The daring burgiaries and robberies that have been committed recontly, in this place and in Shamohin township, call loudly for some kind of organization to suppress the lawless spirit that seems to prevail among the reckless desperadoes that roam through the country. The brutal attack of three villains upon Mr. John C. Hoffman, of Shamokin township, an aged and infirm man, knocking him down with a club and robbing his house of some \$400 in money, and the equally brutal attack on Esquire Hales, also infirm as well as lame, on the same evening, by the same party, who beat him as well as an aged sister. shows a degree of desperation and hardened villainy that sentenced, will, we hope, check in some degree the career of crime now so prevalent.

ONE PRICE CLOTHING HOUSE, One door above Sixth, Philadelphia.

For many years this Establishment has done businem on the One Price System, and we believe we ne the only Clothing House in the city that strictly adheres to this principle. We have earned a repu-tation which we are proud of, for good taste in select-good styles and rubstantial materials, and not less important, for having all our goods, EXTRA WELL MADE.

We employ the best talent, for Cutters, and our Goods are of both kinds—Fashionable and plain— so that all tastes can be suited. The prices are the very lowest as any one by a moment's thought must see, or otherwise we could not meet the competition of our neighbors, for as no deductions are ever made, we must put our prices down to the advantages we bromise.
