ANOTHER VICTIM .--- By reference to our advertising columns it will be seen that Mr. G. W. Long, Report on Railroads, we glean the following in of Muncy Creek township, was swindled out of a reference to the railroads terminating at Sunbury : of Muncy Creek township, was swindled out of a note of \$200, by Lowe, the Washing-machine man, whose operations in Northumberland county we no-ticed last week. It is to be hoped that no one has purchased the notes given by sither Mr. John Dimm or Mr. Long. We think there is no danger that either Lowe or his confederates will attempt to col-lect them, as the evidence of their swindling opera-tions has become a little too plain for that. Lowe will not be likely to show himself again in this part of the country — Mancy Luminary.
