A FEW WORDS TO LADIES.—The use of the ZINGARI BITTERS will give to you that soft, semi-transparent complexion which the God of nature (designing woman to be the loveliest of his works) fully intended that you should have—for it is nature's own powder and paint combined. By purifying the blood, atimulating the pigmentary cells of the dermis, and imparting health and life throughout the entire system, it especially gives that smooth clearness and beauty to the complexion so much to be desired—removing all roughness, blotches, freekles, pimples, and that yellow, sickly look as common in our day; and what is even better than this, it cares every species of female irregularities and disease.

THE ONLY PLACE WHERE A CURE THE ONLY PLACE WHERE A CURE CAN BE OBTAINED.

DR. JOHNSON has discovered the most Gertain, Speedy and only Effectual Remedy in the World for all Trivate Diseases, Weakness of the Back or Limbs, Strictures, Affections of the Kidneys and Bladder, Involuntary Diseases, Impotency, General Debility, Nervousness, Dypepsy, Languor, Low Spirits, Confusion of Ideas, Pulpitation of the Heart, Timidry, Tremblings, Dimesso of Sight or Giddiness, Disease of the Head, Throat, Nose or skin, Affections of the Liver, Lungs, Stomach or Bowels—these Terrible Disorders arising from the Solitary Habits of Youth—those scoret and solitary practices more fatal to their victims than the song of Syrens to the Matiners of Ulysses, highting their most brilliant hopes or anticipations, rendering marriage, &c., impossible.

Young Men Especially, who have become the victims of Solitary Vice, that deadful and destructive habit which annually sweeps to an untimely grave, thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloqueines or waked to ecstaty the living lyre, may call with full confidence.

Marriage. Married Persons or Young Men contemplating marriage, eing aware of physical weakness, organic debility, deoutsities, &c., specific cured.

He who places himself under the care of Dr. J. may any religiously confide in his honor as a gentleman, and confidently rely upon his skill as a Physician.

Organic Weakness Immediately Cured, and Full Vigor Restored.

This Distressing Affection—which renders Life miserable and marriage impossible—is the penalty paid by the victims of improper indulgences. Young persons are too aptic commit excesses from not being aware of the dead-full consequences that may ensue. Now, who that understands the subject will pretend to deay that the power of stands the subject will prefend to deay that the power of processition is lost secure by those falling into imagnet habits than by the prudents? Besides deing deprived the pleasures of healthy offspring, the most serious and destractive symptoses to both body and mind arise. The system becomes Decauged, the Physical and Mental Punctions Westerned, Loss of Precentive Power, Nervous Irribability, Dyspepsia, Palpitation of the Heart, Indigestion, Constitutions Debility, a Wasting of the Prame, Cough, Consumption, Decay and Death,

reflect that a sound mind and body are the most necessary requinites to promote comabial happiness. Indeed without these, the journey through life becomes a weary polyrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection that the happiness of another becomes bighted with our own

When the misgoided and imprudent votary of pleasure finds that he has imbibed the seeds of this pairful disease, it too often happens that an ill-timed sense of shame, or dread of discovery, deters him from applying to those who, from educations and respectability, can show be friend him, delaying till the constitutional symptoms of this horrid disease make their appearance, such as ulcerated sore throat, diseased core, nectural pains in the head and limbs, dimness of sight, deafness, undes on the shin bones and arms, blotches on the head, face and extremitics, progressing with frightful tapidity, till at last the palate of the mouth or the beness of the new fall in, and the victim of this awful disease becomes a horrid object of commiscration, till death puts a period to his dreadful suffering, by sending him to "that Undiscovered Country from whence no traveler returns."

It is a melancholy fact that thousands fall victims to this terrible disease, owing to the maskilfulness of ignorant recenders, who, by the use of that "Deadly Poisson, Mercury," rain the constitution and make the residue of life miscrable.

Masser, at Selins-Grove Station, are now completed and in successful operation, producing lime of the very best quality. These kilns are built with all the modern conveniences and improvements, and have a capacity of producing 400 bushels per day. Having opened a large body of the bost limestone, at the mouth of the Filns, they are enabled to sell lime at the low rate of 11 cents per bushel.
