by reason of it Large Capital, Low Bates of Premium and New Tables, the most desirable means of insuring life yet presented to the public. The rates of promium, being largely reduced, are HAS JUST RECEIVED AND OPENED

toole as favorable to the insurers as those of the best Mutual Companies, and avoid all the complication and uncertainties of Notes. Dividends and the misunderstandings which the latter are so apt to cause the Policy-Holders. Several new and attractive tables are now present

ed which need only to be uniterstood to prove acceptable to the public such as the Income-Producing Policy and Rotain Premium Policy. In the former the policy-holder not only secures a life insurance. payable at death, but will receive, if Hving, after a period of a few years, an annual Income equal to ten per cent. (10 per cent.) of the par of his policy. in the latter, the Company agrees to return to il amored the total amount of money he has paid inin addition to the amount of his policy.

The attention of persons contemplating insuring their lives or increasing the amount of incurance they alread have, is called to the special advantages offered by the National Life Insurance Company. Circulars, Pamphlets and full particulars given FRENCH MERINOS, on application to the Branch Office of the Company in Philadelphia, or to its General Agents.

Local Agents are Wantel in every City and Town; and applications from competent parties for such agencies, with suitable endorsement, should be addressed to the Company's General Agents only, in their respective districts.
