

HON. JOHN B. PACKER. Our new member of Congress, Hon. J. B. Packard, left this place for Washington on Monday last, not for the purpose of attending the inauguration...

THE CONSTITUTIONAL AMENDMENT FINALLY ADOPTED.—Both Houses of the National Legislature have finally adopted the proposed constitutional amendment.

THE NAMES OF THOSE WHO WILL CONSTITUTE GEN. GRANT'S CABINET, will not be known until sent to the Senate for confirmation.

THE NORTHERN CENTRAL RAILROAD.—The annual meeting of the stockholders of the Northern Central railroad, on last Friday, elected the following directors: J. D. Cameron and William Collier of Harrisburg...

THE SOUTHERN PEOPLE are becoming very anxious for Northern emigration. Many of the railroads of that section are offering inducements to visitors by reducing their rates of fare.

HEAVY VERDICTS.—A few weeks ago a passenger who was injured at the Carr's Rock disaster on the Erie Railway, nearly a year ago, was awarded a verdict of \$85,000 damages against the company in the Supreme Court in Brooklyn.

THE HARRISBURG GUARD, of Monday, says: "Governor Geary on Saturday afternoon received a telegraphic dispatch from New York, informing him that a meeting of Republicans from Pennsylvania was about to be held at the Astor House, relative to the appointment by General Grant of a Pennsylvanian for a Cabinet officer..."

NEW ISSUE OF GREENBACKS.—The Treasury printing office has nearly ready for printing a new series of the \$20 and \$100 greenback notes, to take the place of the present new issues, which have been largely counterfeited.

BEWARE OF BENZINE.—From the facility with which it removes grease spots from fabrics, this substance has come to be regarded almost as a household indispensable.

PAY UP! PAY UP! Since the first of January, we have sent out a number of bills of indebtedness to us for subscription, advertising and job-work. To those who have so promptly responded to our request in remitting, we return our sincere thanks.

MISSISSIPPI.—The bill providing for a more efficient provincial government for Mississippi, reported on Wednesday last week, by Mr. Trumbull, from the Judiciary Committee, vacates the offices under the present Government, and provides that the person who received a majority of the votes cast at the election for the ratification of the Constitution, &c., shall enter upon the respective offices, provided they can take the oath of July 2, 1862; otherwise the duties of the offices for which they were elected shall devolve upon the persons receiving the next highest number of votes who can take said oath.

THE BILL INCLUDING THE AMENDMENT, reads as follows: Be it enacted, Sec. 1. Two thirds of both Houses concurring, That the following amendment to the Constitution of the United States be submitted to the Legislatures of the several States, and when ratified by three fourths thereof, it shall be a part of said Constitution.

MR. SCHENCK'S BILL.—Mr. Schenck's bill pledging the faith of the Government to redeem all its interest bearing obligations in coin, which passed the House last week, was somewhat modified in the Senate.

THE QUESTION OF SPECIE PAYMENTS is in abeyance, the prudent business man is careful about contracting debts payable in the distant future. The nation should follow the same rule.

GRANT'S INAUGURAL ADDRESS.—COMPLETE. WASHINGTON, March 4. Citizens of the United States: Your suffrage having elected me to the office of President of the United States, I have, in conformity with the Constitution of our country, taken the oath of office prescribed therein. I have taken this oath with mental reservation, and with a determination to do, to the best of my ability, all that it requires of me.

THE INDIAN WAR. St. Louis, Feb. 27.—Advices from Arizona report numerous engagements with the Indians in the Territory of Arizona. The Indians killed a soldier near Fort Whipple and attacked a train near the Vulture mine, killing one Mexican and capturing another. The teamsters fought desperately and recaptured their stock.

HELMHOLD'S FLUID EXTRACT OF BUCHU.—It can be neither doubted or disputed, nor is there the least chance for an argument to assert that of all the "Proprietary Medicines," the one known above is decidedly the best and most popular; for diseases of the kidneys and kindred organs, even Druggists in our own town admit its superiority.
