TERRIBLE RAILROAD ACCI-

POUGHREEPSIE, N. Y., Feb. 7.
The following particulars of a terrible railroad accident at New Hamburg, on the Hudson River railroad, have been received.
An oil train bound north caught fire near the bridge at that place at a late hour last night. The express train came along and ran into the oil train, catching fire also. The oil train, set fire to the bridge, and the combined weight of the two trains broke the bridge in two and the cars fell through in a mass of wreck and confusion. Several persons, unable to get out of the cars when the crash occurred, were burned to

When discovered the flames had gained considerable headway, and the current of the express train are known to be killed. The scene at track is fearful. A corps of physicians from this city have arrived to at-tend the wounded and dying. Three sleeping cars are among those destroyed. Eight-

of other Assemblymen who were on the

is uncertain. A report is current in the city that telerams have been received from the scene of disaster, stating that upwards of twenty bodies have not yet been identified, and fifteen more are yet partially imbedded in the debris. The work of removing the bodies was taking place when the last dispatch left. Great excitement prevails in this city over the news.
