DOWN THE HILL.—The evening of every man's life is coming on apace. The day of life will be spent. The sun, although it may be up in mid-heaven, will pass swiftly down the western sky, and disappear. What shall light up man's path when the sun of life has gone down? He must travel on to the next world; but what shall illumine his footsteps after the nightfall of death, aimed the darkness of his journey? What question more important, more practical, more solemn for each reader of our journal to ask himself? That is a long journey to travel without light, without a guide, and without a friend. Yet every man must perform it. The time is not far distant, when all men will begin the journey. There is an evening star in the natural world. Its radiance is bright and beautiful, and cheering to the benighted traveler. But life's evening star is in a good hope of Heaven. Its beauty and brilliancy are reflected from the sun of righteousness, whose bright rays light up the evening of life, and throw their radiance quite across the darkness of the grave into Immanuel's land. It has illuminated the footsteps of many a traveler into eternity. It is of priceless value. A thousand worlds cannot purchase it; yet it is offered without price to him who will penitently and thankfully receive it.

Why Did the Patriarch Live so Long?

I have always been greatly interested in the narratives given in the Bible, of the lives and deaths of the Patriarchs. Let me enumerate some of their characteristics:

1. Their habits in all respects were simple.
2. They lived—dwelt in tents—in the open air.
3. They ate food simply cooked.
4. They were tillers of the soil and herdsmen.
5. They retired early to rest.
6. They slept sweetly all night.
7. They rose early in the morning.
8. Their medicines, at most, were *simples*.
9. They instinctively knew the value of abstaining from food on occasions, and they enjoined it from generation to generation till at last it came to be a religious ceremony.
10. Their children were scarcely ever sick, and when they were they did not die.

Begin at Genesis and see how far into the world's life one has to penetrate before the death of children is a given fact, stated without surprise.

From such causes as these, men lived to old age, not *our* limit of human life, but a greatly advanced life over ours.—*Dr. Jackson.*

A HUNDRED YEARS TO COME.—No man ever appears to think how soon he must sink into oblivion—that we are one generation of millions. Yet such is the fact. Time and progress have, through countless ages, come marching hand in hand—the one destroying, the other building up. They seem to create little or no commotion, and the work of destruction is as easily accomplished as a child will pull to pieces a rose. Yet such is the fact. A hundred years hence, and much that we now see around us will have passed away. It is but a reputation of life's story; we are born, we die; and, hence, we will grieve over these venerable piles, finding the common level of their prototypes in Nature, ultimate death.

We all within our graves shall sleep,
A hundred years to come;
No living soul for us shall weep,
A hundred years to come;
But other men our land will till,
And other men our streets will fill,
And other birds shall sing as gay,
As bright the sunshine as to-day,
A hundred years to come.

One who knows defines champaigne as follows: "Champagne is a sparkling wine made of crab cider and marble dust, with a dash of sulphuric acid to make it 'bile.' It is extensively used in hospital practice, and is a sovereign remedy for inquisitiveness. It is not given to patients, but to prying members of the city council, who go about wanting to know things. Put two bottles of champaigne under a councilman's belt, and he quits poking his nose into other people's business, and goes about his own. If he has a relapse in the course of three months follow the old treatment."

Humorous Sketches.

ANECDOTE OF WEBSTER.—A correspondent of *Harper's Monthly* says:

In looking over an old note-book of my father's, written many years ago, I came across an anecdote which, if it has never appeared in print before, is too good to be lost. While John Branch, of North Carolina, was General Jackson's Secretary of the Navy, he, Tazewell, and Daniel Webster were walking on the north bank of the Potomac, at Washington. Tazewell, willing to amuse himself with Branch's simplicity, said: Branch, I'll bet you a ten-dollar bat that I can prove that you are on the other side of the river.'

'Done,' said Branch.

'Well,' said Tazewell, pointing to the opposite shore,' isn't that *one side* of the river?'

'Yes.'

'Well, isn't this the *other side*?'

'Yes.'

'Then, as you are *here*, are you not on *the other* side?'

'Why, I declare,' said poor Branch,' so it is! But here comes Webster. I'll win back the hat from him.'

Webster had lagged behind, but now came up, and Branch accosted him:

'Webster, I'll bet you a ten-dollar hat that I can prove that you are on the other side of the river.'

'Done!'

'Well, isn't this *one* side?'

'Yes.'

'Well, isn't that *the other* side!'

'Yes, *but I am not on that side!*'

Branch hung his head and submitted to the loss of the two hats as quietly as he could.

BARNEY WILLIAMS FLOORED BY A WOMAN.—During the recent engagement of Mr. and Mrs. Williams in Philadelphia, a woman with an infant, attended one of the performances. The baby kept up an incessant cry. At the end of the play, Mr. Williams was called before the curtain. The baby was bawling lustily. Mr. Williams looked around for a moment, and then said:

"Sure there's a nurse wanted."

A roar of laughter followed. When the mirth had subsided, the woman with the infant arose and replied:

"No Irish need apply."

There was a tremendous burst of applause, aimed which the woman, with her musical baby, triumphantly retired.

PRESERVING GRAPES.—It is said that the Chinese have a method of preserving grapes so as to have them at their command during the entire year. It consists in cutting a circular piece out of a ripe pumpkin or ground, making an aperture large enough to admit the hand. The interior is then completely cleaned out, the ripe grapes are placed inside, and the cover replaced and pressed in firmly. The pumpkins are then kept in a cool place, and the grapes will be found to retain their freshness for a very long time.

Component Parts—Fluid Extract Rhubarb and Fluid Extract Catawba Grape Juice.

For Liver Complaint, Jaundice, Bilious Affections, Sick or Nervous Headache, Costiveness, etc. Purely Vegetable, containing no Mercury, Minerals or Deleterious Drugs.

These Pills are the most delightfully pleasant purgative, superseding castor oil, salts, magnesia, etc. There is nothing more acceptable to the stomach. They give tone, and cause neither nausea nor gripping pains. They are composed of the *finest ingredients*. Helmbold's Compound Fluid Extract Catawba Grape Pill are not sugar-coated, from the fact that sugar-coated Pills do not dissolve, but pass through the stomach without dissolving, consequently do not produce the desired effect. The Catawba Grape Pills, being pleasant in taste and odor, do not necessitate their being sugar-coated. Price fifty cents per box.

O

H. T. HELMBOLD'S EXTRACT BUCHU
CURES DISEASES ARISING FROM IMPRUDENCES, HABITS OF DISSIPATION, ETC.,

in all their stages, at little expense, little or no change in diet, no inconvenience, and no exposure. It causes a frequent desire, and gives strength to Urinate, thereby removing Obstructions, Preventing and Curing Strictures of the Urethra, Allaying Pain and Inflamation, so frequent in this class of diseases, and expelling all Poisonous matter.

Thousands who have been the victims of incompetent persons, and who have paid heavy fees to be cured in a short time, have found they have been deceived, and that the "Poison" has, by the use of "powerful astringents," been dried up in the system, to break out in a more aggravated form, and perhaps after Marriage.

Use Helmbold's Extract Buchu for all Affections and Diseases of the Urinary Organs, whether existing in Male or female, from whatever originating, and no matter how long standing. Price, one dollar and fifty cents per bottle.

L

HENRY T. HELMBOLD'S IMPROVED ROSE WASH

cannot be surpassed as a Face Wash, and will be found the only specific remedy in every species of Cutaneous Affection. T. Helmbold's Rose Wash has long sustained its principle claim to unbounded patronage, by possessing qualities which render it a Toilet Appendage of the most superlative and Congenial character, combining in an elegant formula those prominent requisites, Safety and Efficacy—the invariable accompaniments of its use—as a Preservative and Refresher of the Complexion. It is an excellent Lotion for diseases of a Syphilitic Nature, and as an injection for diseases of the Urinary Organs, arising from habits of dissipation, used in connection with the Extracts Buchu, Sarsaparilla, and Catawba Grape Pills, in such diseases as recommended, cannot be surpassed. Price, one dollar per bottle.

J. W. WASHINGTON'S

GRAND BARBER SHOP.

The old permanent shop of the town.

We decline the boast, but at the same time consider that the mighty truth may be seasonably spoken without manifesting an uncomfortable amount of vanity and ambition.

Just twenty years ago I began my business career in this place—half my lifetime thus far spent, have I stood upon the floor of our shop—day after day, and night after night, and applied the sharp blue gleaming steel, and within that circle of time embraced by the mighty folds of that eventful period have I shaved nearly everybody in the country (in common parlance) and to oblige the public interest we herein publicly announce to our patrons old and new that we are ready to shave them all again three hundred thousand times or more.

Come when you please, *just in time* is the maxim—we are always ready to work, forenoon or afternoon, to shave you, hair cut you, shampoo you, whisker dye you, or perfume, comb and arrange the hair with artistic skill, in the "water fall" or water raise style to suit the customer. We work to please, not please to work.

Stop, don't go past our shop to get shaved on the basis of ability—because we do it as well as it can be done of ever could be.

A chance is all that we demand
To give the proof we hold in hand.

A GREAT MEDICAL DISCOVERY

Dr. WALKER'S CALIFORNIA

VINEGAR BITTERS

Hundreds of Thousands

Bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

They are a Gentle Purgative as well as Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.

THEY ARE NOT A VILE

FANCY DRINK,

Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and A LIFE GIVING PRINCIPLE a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to direction and remain long unwell.

$100 will be given for an incurable case, provided the bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia, or Indigestion, Bilious, Remittent and Intermittent Fevers Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the kidneys, and a hundred other painful Symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle, printed in four languages—English, German, French and Spanish.
