Hoofland's German Bitters.

The Rev. William H. Norton, while residing in Brazil as a missionary, discovered in that had of medicines a remedy for Consumption, Schofula, Sone Theoar, Couchs, Colles, Astima, and Nervous Wearness. This remedy has cured myself after all other medicines had failed. A Bitters without Alcohol or Spirits of any kind Is different from all others. It is composed of the pure Julees, or Vital Principle of Roots, the pure Julees, or Vital Principle or Roots, Hirms and Barks, (or as medicinally termed Extracts.) the worthless or inert portions of the ingredients not being used. Therefore in one bottle of this Bitters there is contained as much medical virtue as will be found in several gallons of ordinary mixtures. The Roots, &c., used in this Bitters are grown in Germany, their vital principles extracted in that country by a scientific Chemist, and forwarded to the manufactory in this city, where they are compounded and bottled. Containing no spir thous ingredients, this Bitters is free from the objections urged against all others; no desire for stimulants can be induced from their use; they cannot make drankards. Wishing to benefit the suffering. I will send the recipe for preparing and using this remedy to all who desire it FREE OF CHARGE.

The price of the Tonic is \$1. 50 per Bottle, which many persons think too high. They must take into consideration that the stimulant used is guaranteed to be of a purc quality. A poor article could be formished at a cheaper price, but is it not better to pay a little more and have a good article?
