Vinegar Bitters are not a vile Fancy Drink, made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, dectored, spiced, and awentened to please the taste, called Tonics." "Appetirers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the native reots and herbs of California, free from all Alcolodic Stimulants. They are the Great Blood Parifier and a Life-giving Principle, a Perfect Renovator and Invigorator of the System, carrying off all poisonous matter, and restoring the blood to a healthy condition, enriching it, refreshing and invigorating health mind and body. They are easy of administration, prompt in their action, certain in their results, safe and reliable in all forms of disease.

healthy concution, enriching it, refreshing and invigorating beign hind and body. They are easy-of administration, prompt in their action, certain in their results, safe and reliable in all forms of disease.

No Person can take these Bitters according to directions, and remain long inwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

Dyspesia or Indigrestion. Headache, Paloin the Shoulders, Coughs, Tigliness of the Chest, Direiness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Atracks. Palpitation of the Heart, Indiamonation of the Linner, Pain in the regions of the Kidneys, and a biundred other paintid symptoms, are the offsprings of Dyspepais. In these complaints it has no equal, and one bothle will prove a better guarantee of its merits than a lengthy advertisement.

For Female Complaints, in pump or old, mar-

springs of Dyspepsia. In these companies it has no sequal, and one bottle will prove a better guarantee of its merits than a lengthy advertisement.

For Femnale Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that a marked improvement is soon perceptible.

For Inflammatory and Chronic Rhemmatism and Gout, Dyspepsia or Indigestion, Billous, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

They are a Gentile Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver and Visceral Organs, and in Billous Diseases.

For Skin Diseases, Emptons, Tetter, Salt-Rheum, Blotches, Spots, Fimples, Pustules, Boils, Carbuncles, Ring, worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Diseaborations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most increduous of their curative effects.

Cleanse the Vitlated Blood whenever you find it obstructed and singuish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system it when you find it obstructed and singuish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist; There system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist. There

system of so many thousands, are effectually descrived and removed. Says a distinguished physiologist: There is scarcely an individual tipon the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that treed these living monsters of unlesses. No system of Medicine, no vermitages, no annhelminities, will free the existent from sorms. But these Edition

Medicine, no verminges, no anthemminics, will free the system from worms like these Bolters.

Mechanical Disenses. Persons engaged in Paints and Minerals, such as Pounbars. Type-setters, Gold-besters, and Miners, as they advance in life, will be subject to paralysis of the Bowels. To guard against this take a dose of Walkers's Vinences Bitters once or twice a week, as a Preventive.

Billous, Remittent, and Intermittent Fewers, which are so prevalent in the valleys of our or twice a week, as a Preventive.

Billouis, Remittent, and Intermittent
Fevers, which are so prevalent in the valleys of our
great rivers throughout the United States, especially
those of the Ministappi, Ohio, Missouri, Illinois, Tennessee, Comberland, Arkanias, Red, Colorado, Braros,
Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke,
James, and massy others, with their vast tributaries,
throughout our entire country during the Summer and
Autumn, and remarkably so during seasons of unusual
heat and dryness, are invariably accompanied by exteneive derangements of the stomach and liver, and other
abdominal viscera. There are always more or less obstructions of the liver, a weakness and irrisable state of
the stomach, and great torpor of the howels, being
clogged up with visited accumulations. In their treatment, a purgative, exerting a powerful influence upon
thete various organs, is essentially necessary. There is
no callartic for the purpose equal to Dir. J. Walken's
Vinnear Birtens, as they will speedly remove the
dark-colured viscul matter with which the bowels are
loaded, at the same time stimulating the secretions of the
digestive organs.

Serofula, or King's Evil, White Sweilings, Ulcers, Erysipelas, Swelled Neck, Goiter, Scrotlous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Emphisis of the Skin, Sore Eyes, etc., etc. In there, as in all other constitutions! Distance, Walken's Vinagan Errnens have shown their great curative powers in the most obstinate and intractable cates.

Dr. Walker's California Vinegar Bitters act on all these cases in a similar manner. By purifying the Blood fley remove the coute, and by resolving away the effects of the inflammation (the tubercular deposits)

The properties of Ds. Waters's VINEGAR STREES are Aperiont, Disphoretic and Carminative, fortrious, Lixative, Darrete, Schalive, Counter-Irritant, udorific, Alterative, and Anni-Hillons. Sudoritic, Alterative, and Anti-Hillions.

The Aperient and mid Laxanve properties of Da, Warkers's Visicase Bittiers are the best safeguard in all cases of eroptions and malignant fevers, their balanmic, healing, and accepting properties protect the humars of the faces. Their Sedanve properties allay pain in the nervous system, stormach, and bowels, either from inflammation, wind, or ic, cramps, etc. Their Counter-Irritint infinence extends throughout the system. Their Durreits properties are on the Kidneys, correcting and regulating the flow of urine. Their Auti-Billious properties attendate the fiver, in the secretion of bile, and its discharges through the billiary ducts, and are superior to all remedial agents, for the cure of Billious Fewer, Fever and Ague, etc.

superior to all remedial agents, for the cure of binous Fever, Fever and Ague, etc.

Fortify the body against disease by purifying all its fluids with Vinocas Birries. No epidemic can take hold of a system thus forearmed. The liver, the stomach, the bowels, the hidneys, and the nerves are rendered disease-proof by this great invigorant.

The Efficacy of Di. Walker's Vinegas Bitters, through the Chrome Dyspensia, Fevers, Nervous Disorders, Conscipation, deficiency of vital power, and all malades affecting the etomach, liver, bowels, julimonary organs, or muscular system, has been experienced by hundreds of thousands, and hundreds of thousands more are asking for the same reine.

of thousands, and foundrees of thousands more are assign for the same relief.

Directions.—Take of the Bitters on going to bed at night from a half to one and one half wine-glassfull.

Eat good Bourishing food, such as beefsteak, mutten chop, veniaon, mant berf, and vegetables, and take outdoor exercise. They are composed of purely vegetable

SUNNYSIDE HEATER.

SUBSTRIDE AT MARTLAND STATE FAIR, BALTIMORE.—First premium for Fire-place Heaters awarded the Sumpyside.

Advantages of the Sumpyside: 1. It is so constructed that one-third more of the radiating surface extends into the room, giv-ing that much more additional heat without ex-tra fuel. 2. It is the only Hot-Air Fire-place Heater in the market. Like the regular built cellar heater, it loses no heat, but confines it all to its legiti-3. The fuel magazine is double the usual size,

ply of coal.

4. The patent double cover for coal magazine consumes the gas, prevents escape of gas into the room, and makes it impossible for any puf-fings or explosions to occur. This is an advant-age possessed by no other fire-place stove in the market. 5. There are three air ceambers, wherein a

brisk circulation is kept up, drawing the cold air in the room through heated flues into a large hot air reservoir, at the back of the stove. hot-air reservoir, at the back of the stove.

6 No side pipes are used, as the air is heated in a reservoir having double radiating flues and double back, supplying large quantities of hot air without waste of heat or fuet.

7. The SUNNYSHE utilizes the waste heat so thoroughly that we frequently heat an adjoining room on the first, besides heating the rooms in second and third stories.

S. A damper on top of the stove, connected with the hot air flues, controls the quantity of hot air required for the use of either the upper or lower rooms. All other fire-place stoves are

or lower rooms. All other fire-place stoves are very inconvenient in this respect.
