Vinegar Bitters are not a vile Fancy Drink, made of Poor Rum, Whinkey, Proof Spirits and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the native roots and horbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and a Life-giving Principle, a Perfect Renovator and Invigorator of the System, carrying off all poisonous matter, and restoring the blood to a healthy condition, enriching it, refreshing and invigorating bein mind and body. They are easy of administration, prompt in their action, certain in their results, safe and reliable in all forms of disease.

No Person can take tness Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs weased beyond the point of repair.

Dyspepain or Indigestion. Headache, Pain is the Shoulders, Coughs, Tightness of the Cheat, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilions Attacks, Palpitation of the Heart, Infarmation of the Lung, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the off-springs of Dyspepaia. In these complains it has no equal, and one boutle will prove a better guarantee of its merits that a lengthy advertisement.

For Female Complaints, in young or old, married or single, at the dawn of wounahood, or the turn of life, these Tonic Bitters display so decided an influence that a marked improvement is soon perceptible.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsin or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vittated Blood, which is generally produced by derangement of the Disputive Organs.

They are a Gentle Purgative as well as
a Tonic, possessing also the peculiar merit of acting as

a powerful agent in relieving Congestion or Inflammation
of the Liver and Visceral Organs, and in Billous Diseases.
For Skin Diseases. Emptions, Tetter, SaitRhsum, Blotches, Spots, Pimples, Pustules, Buils, Carbuncles, Ring-worms, Scaid-Head, Sore Eyes, Erysipelas,
Itch, Scurfs, Discolorations of the Skin, Humors and

literally dug up and carried out of the system in a short
time by the use of these Bitters. One bottle in such

Cleamse the Vitiated Blood whenever you and its impurities bursting through the skin in Pimples, Eruptions, or Seres; cleamse it when you find it obtructed and sluggish in the vains; cleamse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Grateful thousands proclaim Vinequa Birreas the most wonderful Invigorant that ever sustained the sinking avestem.

the sinking system.
Pin, Tape, and other Worms, larking in the Pin, Tape, and other Worms, larking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist: There is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased intuners and slimy deposits that bread these living mointers of disease. No system of Medicine, no vermitinges, no matheliuminites, will free the system from worms like these Bitters.

Mechanical Diseases. Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Minerals, as they advance in life, will be subject to paralysis of the Bowels. To guard against this take a dose of Walkers's Variation Bitters once or wice a week as a Preventive.

Billous, Remittent, and Intermittent Fovers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennesser, Cumberland, Arkamas, Red, Colonado, Braros, Rio Grande, Pearl, Alabama, Mobile, Savannals, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. There are always more or less obstructions of the liver, a weakness and irritable state of the stomach, and great torpor of the bowels, being clogged up with viniated accumulations. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to De. J. Walken's Vinagas Bitters, as they will speedily remote the dark-salved visced matter with which the bowels are loaded, at the same time apimulating the secretions of the liver, and generally restoring the healthy functions of the liver, and generally restoring the healthy functions of the liver, and generally restoring the healthy functions of the liver, and generally restoring the healthy functions of the liver, and generally restoring the healthy functions of the liver, and generally restoring the healthy functions of the liver, and generally restoring the healthy functions of the liver, and generally restoring the healthy functions of the liver, and generally restoring the healthy functions of the liver, and generally restoring the healthy functions of the liver, and generally restoring the healthy functions of the liver, and generally restoring the healthy functions of the liver, and generally restoring the healthy functions of the liver, and genera

The properties of Dr. Walker's Viregora Bitters are Apericat. Disphoreic and Carminative, Nutritions, Lazarive, Disretic, Sedative, Counter Irritant, Sudoriac, Aiterative, and Anti-Bilious.

The Aperican and mild Lavative properties of Dr. Walker's Viregora Bitters are the best safeguard in all cases of cruptions and malignant fevers, their balance, healing, and modifing properties protect the humors of the fances.
