Therefore in one but greatents not being used. Therefore in one out-tile of this Bitters there is contained as much me-dical virtue as will be found in several gallons of ordinary mixtures. The Roots, &c., used in this Bitters are grown in Germany, their vital princi-ples extracted in that country by a scientific Cheilst, and forwarded to the manufactory in this where they are compounded and bottled, alning no spir.tuous ingredients, this Bitters free from the objections urged against all others: no desire for stimulants can be induced from their use; they cannot make drawkards.

and cannot, under any circumstances, have any HOOFLAND'S GERMAN TONIC. Was compounded for those not inclined to ex-reme bitters, and is intended for use in cases when zome alcoholic stimulant is required in co inection with the tople properties of the Bitters. Each bottle of the Tople contains one bottle of the Bitters, combined with purce SANTA CRUZ RUM, and flavored in such a manner that the ex-treme blitterness of the blitters is overcome, forming a preparation highly agreeable and pleasant to the palate, and containing the medicinal vir-tues of the Bitters. The price of the Tonic is \$1. 50 per Bottle, which many persons think too high. They must take into consideration that the stimulant used is guaranteed to be of a pure quality. A poor article could be furnished at a changer price, but is it not better to pay a little more and have a good article?
