J. W. WASHINGTON'S
 GRAND BARBER SHOP.

The old permanent shop of the town. We decline the best, but at the same time consider that the mighty truth may be seasonably spoken without manifesting an unbecomingly amount of vanity and ambition.

Just twenty years ago I began my business career in this town—half my lifetime thus far spent, have I stood upon the floor of our shop—day after day, and night after night, and applied the sharp blade gleaming steel, and within that space of time embraced by the mighty folds of that eventful period have I shaved nearly every body in the country (in common parlance) and oblige the public interest, we heron publicly announce to our patrons old and new that we are ready to shave them all again three hundred thousand times or more.

Come when you please, just in time is the maximum—we are always ready to work, forenoon or afternoon, to shave you, hair cut you, shampoo you, whisker do you, or perfume, comb and arrange the hair with artistic skill, in the "cut and fall" or water rise style to suit the customer. We work to please, not please to work.

Stop, don't go past our shop to get shaved on the bare head, or shaved in the middle of the street as it can be done over or could be.

A chance is all that we demand.
 To give the proof we hold in hand.

BALTIMORE LOCK HOSPITAL.

DR. JOHNSTON,
 Physician of this celebrated Institution, has discovered the most certain, speedy, pleasant and effectual remedy in the world for all

DISEASES OF IMPURIFICATION.
 Weakness of the Back and Limbs, Strictures, Affectations of Kidneys and Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsia, Langor, Loss of Spirits, Confusion of the Brain, Headaches, the Heart, Trembling, Dizziness, Dimness of Sight or Giddiness, Disease of the Head, Throat, Nose or Skin, Affections of Liver, Lungs, Stomach or Bowels—these terrible Disorders arising from the Solitary Habits of Youth—those secret and solitary practices more fatal to the victims than the song of Sirens to the Mariners of Ulysses, blighting their most brilliant hopes of anticipations, rendering marriage, &c., impossible.

YOUNG MEN, especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellects, who might otherwise have entranced listening Senates with the thunders of eloquence or waked to ecstasy the living lyre, may expect a speedy cure.

MARRIAGE.
 Married Persons or Young Men contemplating marriage, aware of Physical Weakness, Loss of Procreative Power—Impotency, Nervousness, Irritability, Palpitation, Organic Weakness, or any Debility, or any other Disqualification, speedily relieved.

Who relate to himself under the care of Dr. J. may rely upon his honor as a Physician, and confidently rely upon his skill as a Specialist.

ORGANIC WEAKNESS.
 Impotency, Loss of Power, Immediately Cured and Full Vigor Restored.

This Destructive Attention—which renders Life miserable and marriage impossible—is remedied by the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences they may entail. Now, without the necessity of the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent. Besides he deprives the pleasure of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the Physical and Mental Functions weakened, Loss of Procreative Power, Nervous Irritability, Dyspepsia, Palpitation of the Heart, Indigestion, Constitutional Debility, a Wasting of the Frame, Cough, Consumption, Decay and Death.

A CURE WARRANTED IN TWO DAYS.
 Persons rained in health by unlearned pretenders who keep them trudging month after month, taking powerful and injurious compounds, should apply immediately.

DR. JOHNSTON, Member of the Royal College of Surgeons, London, Graduated from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has cured some of the most obstinate cases that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, dizziness, with frequent fainting fits, and sometimes with derangement of mind, were cured immediately.

TAKING PARTICULAR NOTICE.
 Dr. J. addresses all those who have injured themselves by improper indulgence and solitary habits, which ruin both body and mind, uniting his care for either business, study, society or marriage.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Ringing in the head and ears when asleep, nervousness, being alarmed at sudden sounds, dizziness, with frequent fainting fits, and sometimes with derangement of mind, were cured immediately.

Hon. J. P. Benjamin, Secretary of State.
 C. S. A.—SIR: I desire to submit to you, as the head of the department to which I am directly responsible, and under whose control they should, if possible, have been conducted, the history of certain transactions in which I was engaged whilst in Canada, in the summer of 1861, within the scope of the duties assigned me by the President. I will not here repeat the reasons which have been communicated in previous reports for protracting my stay in British provinces. During the interval of leisure which this delay afforded me, I was practically associated by my friends, Messrs. Clay and Thompson, with themselves, in the execution of their more comprehensive and delicate mission. In anticipation of the arrival of these gentlemen at Niagara, but, as I believe, without their previous knowledge or sanction, Mr. Geo. N. Sanders, then residing in that part of Canada, invited a number of citizens of the United States, supposed to be hostile to the existing administration, to visit the Falls and interchange opinions upon the condition of peace, with the prominent Confederate gentlemen, who were expected to spend a portion of the summer in this vicinity. A conference being entirely legitimate under the construction which Messrs. Clay and Thompson (no doubt very properly) placed upon their powers and duties, I had no hesitation in meeting the public men who came to the Falls, and expressed a desire for my society. That point being the most convenient, and the most agreeable to all my own business, I remained there during the whole period of my stay in Canada, and thus had opportunities of more frequent and extensive intercourse with these gentlemen than either of my friends.

One of whom, Mr. Clay, made his headquarters, being accompanied by Messrs. Thompson, at Toronto, besides a crowd of less distinguished persons, I saw during the course of the summer (in some instances repeatedly) Governor Hunt, of New York, Messrs. Leich Richmond and Benjamin Wood, of the same State; Mr. Bucke, of Canada; Mr. Leach, of England; Mr. Thompson, at Toronto, besides a crowd of less distinguished persons, I saw during the course of the summer (in some instances repeatedly) Governor Hunt, of New York, Messrs.
