In explanation of the remedial power of my Purgative Pellets over so great a variety of diseases, I wish to say that their action upon the animal economy is universal, not a gland or tissue escaping their sanative impress. Age does not impair them; their sugar-coaing and heing enclosed in glass bottles preserve their virtues unimpaired for any length of time, in any climate, so that they are siways fresh and reliable, which is not the case with the pills fonte in the drug stores, petup in chesp wood or paste-board boxes. Recollet that for all diseases where a Luxuitve, Alternive or Purgative is indicated, these little Pellets will give the most perfect satisfaction to all who use them.

They are sold by all enterprising Druggists at 25 cents a bottle.
