### THROAT, LUNGS; LIVER & BLOOD

Throat, LUNGS, LIVER & BLOOD

In the wonderful medicine to which the afficted are above pointed for relief, the discoverer believes he has combined to helieves he has combined to hearmany more of Nature's most sovereign curative properties, which God has instilled into the vegetable kingdom for healing the sick, than were ever before combined in one medicine. The evidence of this fact is found in the great variety of most obstinate discases which it has been found to conquer. In the care of Bronchitis, Severe Coughs, and the early stages of Consumption, it has astonished the medical faculty, and eminent physicians pronounce it the greatest medical discovery of the age. While it cares the severest Coughs, it strengthens the system and purifices the blood. By its great and thorough blood purifying properties, it curse all Humors, from the wost Serofula to a common Hlotch, Pimple, or Euruption. Mecurial disease, Mineral Poisons, and their effects, are eradicated, and vigorous health and a sound constitution established. Erystpelas, Salt Rhenm, Fever Sores, Scaly or Hough Skin, in short, all the mumerous diseases caused by had blood, are conquered by this powerful purifying and invigorating medicine.

If you feel duil, drowsy, debilitated, have sallow color of skin, or yellowish brown spots on face or body, frequent headache or dizziness, bad taste in mouth, internal heat or chills alternated with hot flushes, low spirits, and gloomy forebodings, irregular appetite, and tongue coated, you are suffering from Torpid Liver or "Hillousness." In many cases of "Liver Compliaint" only part of these symptoms are experienced. As a remedy for all such cases Dr. Pierce's Golden Medical Discovery has no equal, ast teffects perfect cures, leaving the liver strengthened and healthy. For the cure of Habitual Constipation of the bowels it is a never failing remedy, and those who have used it for this purpose are loud in its praise.

The proprietor offers \$1,000 reward for a medicine that will equal it for the cure of all the disca

#### SUNNYSIBE HEATER.

SUNNYSIDE AT MARYLANI STATE FAIR, BALrimone.—First premium for Fire-place Heaters Advantages of the Sunnysiae:

1. It is so constructed that one-third more of the radiating surface extends into the room, giv-

ing that much more additional heat without extra fuel.
2. It is the only Hot-Air Fre-place Heater in the market. Like the regular wilt cellar heater, it loses no heat, but confines a all to its legiti-wanted and not on hand, will be ordered at once.

3. The fuel magazine is doubt the usual size, extending from the fire-box we the top of the stove, with capacity for twente-four hours' supply of coal.

4. The patent double cover or coal magazine

consumes the gas, prevents acape of gas into the room, and makes it imposible for any puf-fings or explosions to occur. This is an advant-age possessed by no other fireplace stove in the market. 5. There are three air cembers, wherein a

brisk circulation is kept up, dawing the cold air in the room through heated flues into a large hot-air reservoir, at the back of the stove. 6 No side pipes are used, is the air is heated in a reservoir having double adiating flues and double back, supplying large quantities of hot airwithout waste of heat or fid. 7. The SUNNYSIDE utilizes the waste heat so

thoroughly that we frequently seat an adjoining room on the first, besides hating the rooms in second and third stories. s. A damper on top of thestove, connected with the hot air flues, control the quantity of hot air required for the use of either the upper

or lower rooms. All other displace stoves are very inconvenient in this respect.

9. The Grate is self-scaling, and no dust can STURAT, PETERON & CO.,
