This Cut Illustrates the manner of Using DR. PIERCE'S Fountain Nasal Injector, DOUCHE.

This instrument is especially designed for the persect application of DR. SACE'S CATARRH REMEDY.

It is the only form of instrument yet invented with which finid medicine can be carried high up and perfectly applied to all parts of the affected nasal passages, and the chambers or cavities communicating therewith, in which sores and ulcers frequently exist, and from which the catarrhal discharge generally proceeds. The want of success in treating Catarrh heretofore has arisen largely from the impossibility of applying remedies to these cavities and chambers by any of the ordinary methods. This obstacle in the way of effecting cures is entirely overcome by the invention of the Douche. In using this instrument, the Fluid is carried by its own weight) no samfing, foreing or pumping being required.) up one nostril in a full gently flowing stream to the highest portion of the masal passages, passes into and thoroughly cleaness all the tubes and chambers connected therewith, and flows out of the opposite nostril. Its use is pleasant and samples that a child can understand it. Full and explicit directions accompany each instrument. When used with this instrument, Dr. Sage's Catarrh Romedy cures recent attacks of 'Oold in the Head 'by a few applications. Symptoms of Catarrhs. Frequent headache, discharge falling into throat, sometimes profuse, watery, thick mucus, pursuent, offensive, &c. In others a dryness, dry, watery, weak or inflaned eyes, stopping up or obstruction of nasal passages, ringing in ears, deafness, hawking and coughing to clear throat, ulcerations, scabe from ulcers, voice altered, nasal twang, offensive breath, impaired or total deprivation of sense of smell and taste, disziness, nental deprecasion, loss of appetite, indigestion, enlarged tonsils, tickling cough, &c. Only a few of these symptoms are likely to be present in any case at one time.

Br. Sage's Catarrh Remedy, when used with the constitutional treatment which is recommended in the pampietto offers, in good faith, \$500 reward for a case he DR. SAGE'S CATARRH REMEDY.
